**Thanksgiving**

A TIME TO PAUSE... AND SAY "THANK YOU"

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of upheaval. They too were beset by problems - economic, political - big and small - but they found the time, once each year, to thank God and thank each other for all the good things they enjoyed.

We are thankful for the opportunity we have of being part of a thriving community and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage.
