**PARTY INTEGRATION**

We have been informed by the Office of the Health, Education and Welfare, Washington, that a White Christmas would be in violation of Title II of the Civil Rights Act of 1964. Therefore, the following steps are to be taken to insure that we comply with the Act during the Christmas season in the offices:

All Christmas trees must have at least 23.4% colored bulbs and they must be placed throughout the trees and not segregated in the back of the tree.

Christmas presents must not be wrapped in white paper; however, interim approval can be given if colored ribbon is used to tie them.

If a manger scene is used, 20% of the angels and one of the three Kings must be of the minority race.

If Christmas music is played, "We Shall Overcome" must be given equal time. Under no circumstances will "I'm Dreaming of a White Christmas" be played.

Care should be taken in party planning. For example: Use pink champagne instead of white.

Turkey may be served but only if the white meat and dark meat are on the same platter. There will be no separate but equal platters permitted.

Use chocolate revel ice cream instead of vanilla.

Both chocolate and white milk must be served. There will be no freedom of choice plan. Milk will be served without regard to color.

A team from Health, Education and Welfare will visit your office during the Christmas season to determine your compliance with the Act. If it snows on Christmas Eve, we will all be in trouble.

**Assistance On Tap For State Taxpayers**

During the month of January, the Ontario office of the Oregon State Tax commission will be open for taxpayer assistance each Monday from 9 a. m. to 4 p. m., according to OSTC Agent J. C. Tucker. The office is located at 368 S. W. 5th avenue in Ontario.
