**Ful-Flo**

Fuller now offers all the great advantages of an enamel paint with the ease of application and cleanup of a latex. This perfect combination lets you roll or brush without worry of lapping. Doesn't streak, and one coat usually does it.

Because it's latex-based you can forget the painty odor and your brush or roller will come clean with soap and water.

When dry Ful-Flo displays a rich, subtle gloss finish. And it won't chip, yellow or fade.

Perfect companion to Fuller latex wall finishes. Comes in 1080 decorator colors, too.
