

REDMOND JAYCEES STEVE PERRYMAN, JERRY CRAFTON and Jim Casper, with the new White-Freightliner truck which carried the giant Oregon log on a special goodwill tour across the country with final destination the June 16-19 national Junior Chamber of Commerce convention in Louisville, Ky. The 420-year-old, almost 40,000-pound log will be shown in the annual parade of chapters at the Jaycee convention. The log-loaded truck came through Nyssa around 5:30 p.m. Saturday. Transportation costs to the Jaycees are nil, as all vehicles and other necessary items are donated. Jaycee chapters, in the various Oregon towns, submit bids annual for the privilege of promoting their organization and Oregon products. The log will be sold at Louisville and will not be returned

to the Beaver state. Governor Tom McCall has issued this statement (in part): "The people of our state admire and appreciate the fine work of our Jaycees. We support the efforts of the Junior Chamber of Commerce in their community improvement programs. Our country is fortunate in having men like the Jaycees - especially in these troubled times. We can look an uncertain future in the eye and say 'Throw what you will in our path; we have the minds, the hearts and the hands to surmount it.' Americans everywhere should show their appreciation by word or deed - because Americans everywhere benefit from the fruits of Jaycee labors. Support them today, so they may lead with vigor tomorrow!"

GRANGE NEWS

Members of Oregon Trail Grange met in regular session Thursday evening, June 5, with Master Don Somers presiding.

A report on the cost of groceries was given by Ralph Thomas. The article he read stated that grocery stores should really be called Home Supply Stores because so many articles besides groceries were sold. Cat and dog food, hair-spray, toothpaste, beer, cigarettes, hammer heads, garden hoses, etc. couldn't be classed as food. Thomas also gave information about the Golden Nematode which is a threat to potato production.

A going-away gift was presented to the Stanley Sisson family, who will be leaving soon for Milwaukee, where Sisson has accepted a teaching position.

During Lecturer Lois Boenig's program two teams participated in the "Olympics". Ralph Thomas' team won in the javelin throw (ice tea spoons); the discuss toss (paper plates); while Stanley Sisson's team took top honors in the relay race (pushing a lemon with a tea spoon) and the hammer throw (a bag full of air).

It was announced that the Oregon Trail picnic will be held August 10 at the Erick Boenig home.

Dessert was served to 22 members by the Ralph Thomas and Elvin Ballou couples.

The next meeting will be held Thursday, June 19 at 8:30 p.m. All members are urged to attend.

Members of the women's activity committee of Oregon Trail Grange met Monday, June 2, at the home of Mrs. Ernie Metcalf.

The roll call question was "What memorable event happened when you were sixteen?" Many happy events were reported, but one member told of a great disillusionment. The most handsome young athlete had invited her to an afternoon movie and instead of holding her hand as she had hoped, he sucked his thumb all during the movie. When the laughter died down the meeting was continued.

WAC Chairman Clara Price announced that the quilt made by the grange women had been entered in competition at State Grange at Ashland.

Dessert was served by the hostess to 13 members and three guests; Mrs. Wilbur Atherton, Mrs. Harley Noah, and Mrs. Alva Amidon.

The next meeting will be held October 7, at the home of Mrs. Ira Price with Mrs. Esther Stephen as co-hostess. Meetings are not held during the summer months. All grange women are invited to attend.

Anyone desiring lessons later than this or private lessons must make arrangements at the pool, according to Brad Maxfield, pool manager. There will be four instructors qualified to give private lessons.
