GRANGE NEWS

Members of Oregon Trail grange met Thursday evening July 17, with Master Don Somers presiding.

Violet Drydale reported \$10,-350 in sales slip receipts for the last quarter.

Wilbur Atherton, grange insurance agent gave a report on the causes of fires. Hot grease was the chief cause, followed by matches, electrical appliances, defective wires and hot ashes, with a total of 79 million in damages.

During the Lecturers program Mr. and Mrs. Bill Murphy and Hal Grace of Oregon Slope were introduced. Bill Murphy and Hal Grace are connected with TVCC in the soil testing division. They encouraged farmers to take core samples in the fall after crops are out of the ground, to stay away from edges of the fields or feed areas. All farmers are encouraged to contact Bill Murphy at TVCC for help with their soil testing. A small fee is charged for each soil sample.

Mr. and Mrs. A. V. Anderson, members of Umpqua Valley grange in Reedsport, Ore., were surprise guests. The visiting grangers reported lumbering and fishing as the two main industries in their area. They were impressed by the fields of onions and other row crops in our valley.

Other visitors were Mr. and Mrs. Wilbur Atherton and Mrs. Noah of Boulevard grange.

Refreshments were served to 25 members. Next meeting will be held August 7.
