

TOM WILSON

Tom Wilson has been a recent guest of his grandparents, Mr. and Mrs. W. W. Foster. He is the son of Mr. and Mrs. Charles B. Wilson of Juneau, Alaska, and was chosen by the International Christian Youth Exchange to go to Germany for a year of study. He will live with the family of a Lutheran minister at Milenber. Tom left Nyssa Monday morning and flew to Collegeville, Penn. Tuesday. There he met about 200 other ICYE students for three days of briefing. After three days sight seeing in New York, they will fly to Amsterdam and from there to their various assignments in Europe. Tom was a dinner guest Friday of his uncle and aunt, Mr. and Mrs. R. T. Sager. Sunday evening the Fosters and Sagers gave an informal party where Tom showed his slides of Alaska. His mother, Grace Foster Wilson, called from Juneau to wish his happy voyage. He also played a tape recording of a message from his brother, Chuck Wilson, who is in the service, presently doing laboratory work in bacteriology at a hospital in Qui Nhon, Vietnam.

TRAVELERS RETURN

Mr. and Mrs. Maurice Corey left July 8 by plane from Boise and even though the flight was early into Chicago, they were forced to leave four hours late from the Windy City for Detroit, due to congested air traffic.

They visited until the following Monday with Corey's daughters, Mrs. Duane Koebe, Mrs. Fay Meder and their families in Detroit, and were then taken by auto, by the daughters, to the home of Mrs. Corey's son, Ward Eaton at Acme near Traverse City. The Nyssa travelers remained there for ten days, visiting there and in neighboring towns.

On July 20 they attended church services at Williamsburg where Mrs. Corey had been a member for over 50 years before coming to Nyssa. After the service, a potluck dinner and open house was held with many relatives and long-time friends in attendance.

A five-generation picture was taken with Mrs. Corey being the eldest and year-old twin girls, the youngest.

On July 24, a reunion was held by the four living members of Bellaire high school's class of 1903. The former students are Maurice Corey, Mmes. Alice Dewey, Bernice Gerbers and Katie McCutcheon. The gathering was held at the latter's home on Torch lake, west of Bellaire, where the group partook of a fine picnic dinner. Guests included Mrs. Corey, a graduate of the class of 1901 and Corey's sister, Mabelle Watson, a member of the class of 1913. Pictures were taken at the reunion.

Mrs. Corey was born east of Bellaire and Corey moved to that place with his parents in 1896. Both learned to set type there.

Local Girl Selected For IFYE

Four young Oregonians have been selected to participate in the International Farm Youth Exchange (IFYE) program, reports Ruth Basher, state extension agent for 4-H and youth development at Oregon State university.

ONE LOCAL GIRL

The four, Cecil Waldron of Beaverton; Nadine Spitz of Ontario; Sharon Drake of Albany; and Larry Larwood of Independence; have been long-time members of 4-H programs in the state.

Also named as alternates for IFYE assignments were Donna Cox of Lebanon; Frances Peterson of Tygh Valley; Kathy Vaughan of Durkee; Candy Benedetti of Grants Pass; and Roslyn Farver of Junction City.

The IFYE alternates and nominees will participate in orientation sessions later this year in order to be ready for overseas travel. Miss Brasher said. Alternates may be chosen by the National 4-H Club Foundation to travel if regular nominees become sick or if additional funds become available. This year two Oregon alternates participated in the program.

The IFYE exchanges live with host families in their adopted countries and exchange knowledge and culture.

More than 4000 young people have been exchanged between the United States and 72 other countries since the beginning of the IFYE program in 1948. In 1968 there were 131 U.S. travelers in the IFYE program. In return, 99 exchanges from 36 countries came to the United States.

DEGREE RECIPIENTS ANNOUNCED BY EOC

Eighty-five students will be graduated with bachelor or master degrees from Eastern Oregon College Friday, August 15, including three from Nyssa and vicinity, as the eight-week summer session ends.

Those from Nyssa are Ralph I. Aldrich, Master of Science in elementary education, and Mary Lou Laan, Bachelor of Science in secondary education. From Adrian is Verla Gertrude Holton, Master of Arts in teaching.

Dr. A. M. Rempel, college president, will address the graduates during the commencement exercises in the college theatre. Dr. Carlos E. Easley, dean of instruction, will preside.

The customary graduates' breakfast in Hoke hall will precede the exercises. At that time, the graduates will be admitted to the alumni association. Among those receiving master's degrees will be seven students who participated in a federally-sponsored migrant education program that included eight weeks working with children of migrant workers in the Willamette valley this summer.
