their achievements and interests.

About 97 percent of the semi-finalists are expected to become finalists, and each will be considered for one of the 1,000 National Merit \$1000 Scholarships which are allocated by state.

Winners of four-year Merit Scholarships may receive up to \$15,000 a year for four college years, depending on their individual need.

High school grades, accomplishments, leadership qualities, and extra-curricular achievements of the finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

Names of the 1969-70 Merit Scholarship winners will be announced April 30, 1970. Some 21,600 students have received Merit Scholarships in the four-year annual programs to date.

About \$67 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program.

ONTARIO LODGE No. 1690

BENEVOLENT AND PROTECTIVE ORDER OF ELKS ONTARIO, OREGON 97914

In an item of correspondence from Otis King, Oregon State Elks Association Community Service & Welfare Chairman, Ontario BPOE #1690, the Journal was requested to publish this proclamation expressing the organization's feelings toward a number of problems in this country today.

WHEREAS, the members of the Benevolent and Protective Order of Elks, numbering a million and a half American gentlemen who believe in God and revere our country's flag and realize the necessity to preserve the Construction of the United States of America and the Bill of Rights, which have served to establish the finest system of government in the world, and

WHEREAS, we deplore the presence of crime in our streets, violence and disorder on our campuses, and lack of respect by a minority of our people for our Country's flag and the rights of others, and

WHEREAS, we abhor the anarchy and chaos in our schools and communities with a continuance of riots, demonstrations, and disorders which bring about malicious destruction of property and danger to the personal safety of our people, and

WHEREAS, we and all other loyal Americans, having displayed much patience and forbearance, are angered, dismayed and disgusted with the illegal acts of radicals, extremists, trained agitators and militants, and

WHEREAS, we desire to express our concern for the future of our society and particularly our youth, the majority of whom are decent and law-abiding,

BE IT HEREBY RESOLVED, THAT we stand for discipline of those who defy our laws, with the knowledge that public order is essential to achieve a solution to our domestic problems;

THAT we call for the full support of our membership for our law enforcement agencies and courts, and full cooperation in the enforcement of their duties in the prosecution of those who have caused, instigated or aided violations of our laws and disorder in our schools and communities;

THAT we demand the arrest and prosecution of those disidents, radicals and militants who engage in criminal acts of riot, disorder and rebellion against the laws of our Country;

THAT we demand the expulsion from school of those participating in violent demonstrations, riots or the disruption of classes and the operation of schools, colleges or universities, public or private, whether on or near the school premises, and we demand the revocation of scholarships, grants or other monetary aids of a public nature extended to those participating in such acts.

BE IT FURTHER RESOLVED, THAT this resolution be distributed to all Lodges of our Order where it is to be read on the floor of the Lodge at an appropriate session, posted in a prominent place in the Lodge quarters, reproduced in the Lodge bulletin and given publicity through the local news media so that not only the members of our Order but also all the citizens of our Country will know that the Benevolent and Protective Order of Elks of the United States of America respects the laws of our land and supports those charged with their enforcement.

Adopted by the Grand Lodge of the BENEVOLENT AND PROTECTIVE ORDER OF ELKS in Convention assembled in Dallas, Texas on July 14, 1969. /S/ Edward W. McCabe, Grand Exalted Ruler and /S/ Franklin J. Fitzpatrick, Grand Secretary

Must Notify In Writing

If stray livestock show up around your place and you need help from the Oregon Department of Agriculture in locating the owner don't delay in notifying the department.

What's more do that notifying in writing and send it to the department's Salem office within five days after the animal has appeared on your place.

It is not that the department does not want to be helpful in reuniting the animal with its owner, but in the past some of the livestock the department has been called upon to remove could not under the law be classified as estray.

Three elements are involved in determining an estray under the Oregon Estray Act: (1) the animal must be livestock as defined in the Estray Act; (2) the owner must be unknown; and (3) the animal must either be unlawfully permitted to run at large or must be trespassing on land enclosed by an adequate fence.

The department also points out that unless an animal meets these qualifications and there has been proper notification that an animal is estray the department cannot sell nor cause said animal to be sold as an estray.

If a person has an animal on his place, whose owner is unknown, and the department has been properly notified someone will be assigned by the department to determine the animal's true owner.

In the past the department has on occasion been called to locate owners of animals that have been removed from their normal legal ranges when ranchers have brought them in with their own cattle. These animals cannot under the law be considered estrays and while the department will be glad to discuss estray problems with ranchers and provide such information as the name of the owner of a certain brand to aid in identification of the animal it cannot assist in locating the owner of an animal not deemed to be a true estray.

KRAZY DAYS

(Continued From Page 1)

this reporter has seen in the ten and one half years we have been here.

However, we did note fewer contestants in the parade than in most years, which would seem to indicate that some additional work needs to be done here. The merchants and clerks dressed Crazy and the Journal photographer has enough to bring one some laughs for another Krazy Day next Sept.

Prize winners other than those pictured, by classes were; Edie Corfield - smallest dog; Anna Dority - largest dog; Barbie Bosselman - best in all dog category. Others were; Edward Larsson \$5 from Wilson's Dept. store for Youngest; Ruth Larsson \$5 from the Nyssa Merc for the Oldest; Miriam Kunkel \$5 from Firestone store for the craziest dressed female, and Wayne Ulrey and Paul Short split \$5 from Bracken's Dept. store for the goofiest dressed male. Ray's Food Fair gave \$5 to a Mexican-American lad whose name he did not get for being the champion pie-eater. Reed said there were 12 participants and quite a lot of interest was manifested. M & W Market fed free watermelon to about 150 kiddies Saturday.
