Nyssa Schools Will Use National Menu

Sadie Butcher, Nyssa School Lunch Supervisor, said that the National School Foods Service Association is suggesting a universal menu for Wednesday, Oct. 15. They are asking that all schools use the menu on that date and Nyssa will go along with it. The menu is as follows:

- Hamburger, all beef, on bun,
- Buttered green beans
- Tossed green salad with Sliced Tomatoes, and Fruit Cups and Peanut Butter cookies/milk.

provided by Mrs. Frank Bevington of Nampa.

The bride, given in marriage by her uncle, Jack Walters of Nyssa, was attired in a floor-length gown of white Alencon lace, embroidered with rhinestones and seed pearls. It was fashioned with an empire waist and long pointed sleeves. It was secured in back in lace tiers ending in a train. Her veil, of white illusion, was held by a head piece of peau de soie. She wore a family heirloom pearl lavalier, and carried an old fashioned bouquet of white carnations and pink rosebuds. Maid of honor was the bride's sister, Jeanine McEwen who wore a long pink silk crepe gown with a bodice of white lace voer-lay. She carried a cascade bouquet of pink and white gladioli.

Serving as best man was Richard Gould of Parma. Usher was the bride's brother, Richard McEwen of Nampa. The bride's mother wore a deep pink princess style dress with matching hat, while the groom's mother was attired in a brown lace suit. Both wore corsages of pink and white gloriosa lilies.

The ceremony was followed by an intimate reception held in the Parish hall. Pouring the punch and coffee were the bride's aunts, Mrs. Paul Troutner of Boise, and Mrs. Jack Walters of Nyssa. The wedding cake was served by the groom's sister, Mrs. Rod Frank of Parma.

The three-tiered wedding cake was decorated with pink roses and topped with white bells set in a cluster of flowers. The guest book was presided over by Mrs. Ammon Grigg of Boise.

The new Mrs. Powers attended Nampa high school and he was a 1969 graduate of Parma high school. He is presently enrolled at Boise State college. The bride's travel costume was pink crepe ensemble with pink accessories.

It Costs Money!

It cost us quite a bit in this ad to show you what flameless heat looks like. That's it, above and to the left. And if you have flameless heat in your home, you know what it costs! Perhaps you wish you didn't. A Cascade Man can change all that for you, and he will gladly call and discuss your specific heating problems. It won't cost you a cent; it could save you plenty, this winter and for many winters to come. When choosing the type of heat you will live with, it is important to remember that flameless is merely a harmless adjective. Flameless electricity, wonderful as it is for other uses, offers no advantages in heating your home, and it possesses numerous disadvantages in this application. Use electricity only for the things it does best—and you will never heat with it. There's much, much more to tell you. May we call?

It's the FLAME That Counts!
