LDS GROUP TO STAGE REPERTOIRE

The Sounds of Freedom, a nationally-known singing group from Brigham Young University, will present a concert Oct. 20 at the Ontario high school auditorium at 8 p.m., in Ontario. Organized in 1966 by the BYU Culture Office, the Sounds of Freedom cast has appeared on the Ed Sullivan television show, performed at Disneyland, recorded an album for MGM, and sang at HemisFair '69. In addition to presenting concerts all over the west, two concert tours were made in California. The group is composed of voices that have been heard on a regional March of Dimes television show with the King Sisters, and in California at the private offices of Governor Reagan. In the spring of 1969, they toured Southern California, where they appeared on the All-American College show and took first place honors. The chorus has been invited to sing at the nation's capitol. They have carried their message of patriotism to many universities; high schools; and civic and church gatherings. The Sounds of Freedom describes the love and concern felt by each member of the group for America and the ideals on which this country was founded through their songs and narrations. Included in the repertoire of the group are such songs as "Born Free," "How The West Was Won," "What's More American," "Everybody Say Peace," and "Exodus."

In September, 1966, a group of students were asked by the BYU Student Culture Office to produce an assembly for the student body centered around the theme of freedom. The show was such a success that the group decided to remain together and carry its message to others. Since then The Sounds of Freedom voice have been in constant demand and has received praise from numerous sources. While in the California capitol city, The Sounds of Freedom also performed in the rotunda and the senate chambers. All are students at Brigham Young University, a school of over 24,000 in Provo, Utah, operated by the Church of Jesus Christ of Latter-Day Saints.

The couple is planning a December 19 wedding in the LDS temple at Salt Lake City.

A drivers License Examiner will be on duty in Nyssa Friday, Oct. 17, 1969, at the City Library between the hours of 9 a.m. and 2 p.m., according to an announcement received from the Department of Motor Vehicles of Oregon.
