M&W MARKETS

Thank you, M & W shoppers. . . for your patronage these past 4 years. Since we acquired the M & W Markets 4 years ago, we have remodeled, redecorated and modernized most of our stores to enhance your shopping convenience and enjoyment. It is our constant desire to serve you with modern one-stop shopping centers, stocked with the finest variety of foods . . . sold at the lowest prices possible.

To help show our appreciation to you for your business, we have drastically reduced hundreds of products during our Anniversary event. We hope you will come and help us celebrate. Of course - as always, you'll receive S & H Green Stamps too!
