LOCAL IMPLEMENT DEALERS

Dear Customer:

Your association with our firms is most sincerely appreciated. We hope that you will continue to patronize us for all of your farm equipment needs. In order to continue to serve you better, we have joined the BankAmericard and the Master Charge credit card programs which offer many advantages to our customers.

We are all aware of costs and prices rising all around us. Obsolete methods must give way to better programs in this computer oriented age. Because of inflationary trends to be able to provide the following program: Effective February 1, 1971, we will cancel our present charge account plans. All future sales and services will be either cash or the above mentioned bank credit cards. The bank credit cards have many advantages which we cannot offer with our present charge plans. Machinery may still be purchased on conditional sales contracts.

If you are not a present BankAmericard or Master Charge card holder, or if you are incorporated, please contact the banks for your card.

We wish to thank you for your past patronage and ask that you continue to support us as we convert to this new, more convenient progressive credit program.

Very truly yours,
