LETTER TO EDITOR

Editor, The Journal:

Please find enclosed my check for another years subscription for my home town paper, which I enjoy getting so much. It is almost like getting a letter from home. Hearing about my old friends and family. I haven't lived there for many years, but it is still my home town, I feel. Hermiston is a great place to live also. They do so much for retired and older people. Each year they give free passes to all four days of the Umatilla County Fair, also passes to all school activities, which I think is great.

The weekly paper, The Hermiston Herald, gives a reduction to everyone on Social Security, which also helps many people.

So here's to reading the Gate City Journal another year.

Yours truly,
Ethel Schafer, 340 S.W. 7th St. Hermiston, Oregon.
