PACKWOOD ASKS FOR "WEEK OF CONCERN"

Senator Bob Packwood (R-Ore.) has cosponsored a joint resolution asking the President to designate March 21-27 as "National Week of Concern for Prisoners of War/Missing in Action."

The resolution, introduced by both the House and the Senate, is a "rededication of our concern" for servicemen in North Vietnamese prison camps Packwood said.

But more than that, he said, it would show the North Vietnamese the "strong and continuing support of the American public" in its determined national effort to assure humanitarian treatment of American prisoners of war.

The week of March 21-27 was chosen to coincide with the anniversary of the capture of the first prisoner of war, Major Floyd J. Thompson on March 26, 1964.

There are now an estimated 1,449 servicemen listed captured or missing in action according to the latest February Defense Department figures. "At least 50 of these men are Oregonians," Packwood said.
