

## Mountain Home AFB To Hold Open House

Intermountain area residents are invited to view U.S. Air Force, Army, Navy and Marine Corps "Forces for Freedom" exhibits and displays at the annual Armed Forces Day observance on Sunday, May 23, at Mountain Home Air Force Base.

### C of I Features Glen Miller Hits

"Moonlight Serenade," a musical program of Glenn Miller hits will be performed by Boise's Men in Blue in Jewett Auditorium at the College of Idaho Sunday, May 16, at 8:15 p.m.

Gib Hochstrasser will conduct the orchestra, in which he plays the drums, in a variety program of selections by the famed bandleader of World War II days. Two years ago the group entertained in the valley with its initial program of Miller hits, which was well received.

The C of I music department is sponsoring the entertainment and proceeds will go toward the Instrument fund, Dr. Richard D. Skyrn, chairman of the department, noted in making the announcement.

Tickets, all on a reserved basis at \$3 a seat, are on sale in Caldwell at Bell's Horn Shop, Dorsey's Music, and at the C of I business office. They are also available at Wither's Music at Karcher Mall; Gonion's in Nampa; and Holsinger's Music Store in Boise.

The event will be held at the Elmore County base on the 23rd from noon to 5 p.m. U.S. Army and Marine Corps elements from Boise will offer various ground forces displays, including tanks, mortar and personnel carriers, and other heavy armament items.

The featured aerial event will be a jet demonstration at 2 p.m. by the famous U.S. Navy Blue Angels. Other special exhibits and events are being planned and will be announced soon.

Aircraft on static display will include RF-4C Phantoms from Mountain Home AFB, F-102s from the Idaho Air National Guard, and a variety of Air Force tactical fighter, bomber and transport aircraft. The Army and Air Force will provide helicopter demonstrations, and the Air Force HH-43 Huskie rescue helicopter will be on display.

The base will be open to the public for 5 hours, and everyone is cordially invited to attend the observance.

### Open House

### To Fete Teacher

An open house reception, honoring Hazel Ferguson will be held Wednesday May 19, at 8 p.m. in the Apple Valley Gymnasium.

Hazel Ferguson, has taught in the Apple Valley School for 28 years.

Everyone is cordially invited to attend this farewell reception. There will be a money tree.

## Outdoor Education Tour Planned

Dates for the 6th grade Outdoor Education Tour have been set for May 13th and 14th. The tour will not be rescheduled if it is cancelled because of bad weather due to tight schedules.

The two sites will be Lytle Boulevard and Owyhee River with three stations at each site. The stations and personnel at each are:

Owyhee Site: Outdoor Manners, Rob Currier; Wildlife, Cliff Hamilton; Fisheries, Ralph Elle.

Lytle Boulevard Site: Range, Al Logosz; Fire Control, Max Olson and Bob Evans; Soils and Geology, Burrell Lovell.

The site coordinators are Rob Currier and Ron Mobley. Students will bring their own sack lunch and should include something to drink. Dress should provide adequate protection from a variety of weather conditions. Strong shoes are very important.

The students will be assigned to groups prior to arriving at the morning tour area. Upon arrival, students will be taken to their first station. Each session will last 20 minutes.

Sixth grade students from Vale, Adrian, Nyssa, and Ontario will be participating. They will be bussed from site to site.

The group is indebted to the Oregon Game Commission, Bureau of Land Management, Soil Conservation Service, and Malheur County Extension Service for making the Outdoor Tour possible.

## Two Highway Projects In Malheur County

Bids will be received by the Oregon State Highway Commission on two days, Thursday, May 27, and Friday, May 28, in Salem, for 31 projects totaling an estimated \$11,930,000. Descriptions for the individual projects will be arranged by county for each bid opening day.

Two projects are scheduled in Malheur County. The first one involves rock production on the Harper Junction Section of the Central Oregon Highway, about 24.4 miles east of Juntura. Plans call for 10,000 cubic yards

of crushed material in stockpile. Completion date has been set for August 15, 1971.

The second project in Malheur County involves 6.8 miles of paving on the Sheaville-Jordan Valley Section of the I.O.N. Highway, with the south end of the project at Jordan Valley. Plans call for widening the present roadbed by placing plant mixed aggregate base on the shoulders, to make two 12-foot lanes with four-foot shoulders. Completion time--120 calendar workdays.

## LARGE CROUD ATTENDS BEEF-O-RAMA DEMONSTRATION

A crowd of nearly 1500 persons attended the Beef-O-Rama demonstration sponsored by the Idaho Power Company, Oregon Beef Council, and the Malheur County CowBelles.

Louis Bean, Idaho Power manager of the Ontario office and Mrs. Leona Anderson, Idaho Power's home economist for this area spoke briefly and then introduced Gracie Phipps, nationally known home economist and for many years director of home economics for the Pacific Light and Power Company. Mrs. Phipps is also well known for a radio talk show and television shows on many Oregon stations.

Mrs. Phipps began her afternoon of demonstrations by telling her audience how four ounces of beef was considered an adequate serving of meat in a meal. Mrs. Phipps concentrated her demonstration on the use

of less expensive, more economical cuts of beef, stressing they contained the same food value as more expensive cuts, and provided better value for money for most of today's families.

All those attending were given the recipes demonstrated at the meeting along with many other beef recipes.

Main door prizes, a dishwasher donated by Diamond Furniture, Idaho Power and the Oregon Beef Council was won by Mrs. Villarreal, of Ontario; and the half a beef donated by Boston's Beef House was won by Mrs. Effie Nielsen of Nu Acres area. Many more prizes of beef certificates in different amounts were won by persons attending.
