

# OUT OF THE PAST

## 10 YEARS AGO

Dennis Lynn Forbess has been named 1961 winner of the honor medal for top graduating chemistry student at the University of Oregon.

Forbess, son of Mr. and Mrs. Richard Forbess was recently elected to membership in the university chapter of Sigma Xi, National Science Honorary. He was also initiated into Phi Beta Kappa, national liberal arts scholarship honorary.

Nancy Stringer was recently nominated to participate in the "Miss CWC" pageant at Colorado Woman's College in Denver. Miss Stringer, daughter of Mr. and Mrs. Vaughn Stringer is a sophomore at CWC majoring in interior design.

## 20 YEARS AGO

Ronald Jensen, valedictorian, and Carlene Jones, salutatorian, thanked their parents, faculty and others for the co-operation and help they received during their four years in high school. There were 54 graduates of the Nyssa High School at commencement exercises held in the gymnasium last Thursday.

Mr. and Mrs. Wilmer Hipp (Bette Lou Pett) were married May 23 at the home of the bride's parents, Mr. and Mrs. Bruce Pett of Parma.

The bride wore a white silk organza afternoon frock, with black accessories. She was attended by Miss Carolee Bingham who chose an orchid print frock. The groom was attended by his brother, "Dutch".

## 30 YEARS AGO

President Roosevelt, in his radio talk Tuesday night, said that "the war is approaching the brink of the Western Hemisphere itself. It is coming very close to home." As a result of this approach, the President declared that he had declared an "unlimited national emergency exists" and called upon all citizens for unity that democracy might live. The Nazi world does not recognize any God except Hitler; for the Nazis are as ruthless as the Communists in the denial of God. Your government has the right to expect of all citizens that they take loyal part in the common work of our common defense--take loyal part from this moment forward.

Over 100 cotton mattresses have been constructed from the second carload of cotton delivered to Malheur County under the cotton mattress program of the Surplus Marketing Administration, according to information from the County Agent's office.

Theodore William Miller, 8 year old son of Mr. and Mrs. Eldon Miller, Nyssa, died last Friday at the Nyssa Nursing Home from gasoline fire burns suffered at play.

## 40 YEARS AGO

After pitching with the Wilder Club a couple of weeks, Charlie Newbill left Monday for Des Moines, Iowa, to play there in the Western League. He will join the team at Denver. Newbill played with Wichita last year, winning 10 out of 13 games pitched. He is a Nyssa product and is making a name for himself in professional ball. He was accompanied by his wife, daughter of Mr. and Mrs. Chas. Garrison of Nyssa.

All is not smooth sailing for J.F. Shea Co. contractor who has had phenomenal luck in tunneling through solid earth for thousands of feet without an obstruction on his Owyhee project contract. Tuesday he struck a fault zone of shattered rock which cut his progress from a 50-foot average per day to about 15 feet.

The mountain above threatened to fill the tunnel with the result that the crew had to timber before progressing further. The fault zone interrupted a record run that began May 1, in which Martin Boss, super-

intendent for Shea hoped to best the world's record tunnel of 1175 feet for a 3-shift month. He has yet a chance to make the record--if the fault zone happens to be a narrow one.

S.S. Magoffin Co. continues to battle a water bearing fault zone, progressing with the aid of liner plates and breast boards a few feet per day.

Frost nipped potatoes tomatoes and other crops lightly in the Apple Valley section Monday night. A thin crust of ice appeared on the edge of irrigation laterals.

It pays to advertise, The Journal way. Bob Pittman, 13, built a golf course, he wanted business. He asked The Journal for a story--The Journal complied with the request and his message was read throughout the community. Did advertising pay? Bob made 40 cents in one evening, 40 customers he served at a penny a round.

## 50 YEARS AGO

The Nyssa High School baseball team played its last game at Vale May 14. Out of 10 games the boys won 7 and were defeated by only two teams, Weiser and Nampa.

The High School team comprise the following players: Charles Newbill, pitcher; Pud Long, catcher; Floyd Hoxie, first base; Stubby Davis, second base; Jim Kakebeke, third base; Jim Duncan, short stop; Jack Barrett, center field; Charles Peck, right field; Clyde Beam, substitute; Frank Reberger, substitute.

A Silver Tea given at the home of Mrs. J.P. Dunaway Wednesday afternoon was attended, and pronounced thoroughly enjoyable by about seventy persons, including the ball team, who were served. Harry Goshert, Manager of the ball team's association, made an appropriate talk. Three carloads of Payette people attended. The sum of \$14.85 was taken in.

## 60 YEARS AGO

Among the most important and beneficial enterprises now under way for the Nyssa country, and which will bring into cultivation over 15,000 acres of the rich bench land lying adjacent to this city, are two large pumping plants, the installation of which now depends only upon the satisfactory completion of detail work.

One of these plants is projected by the Kingman Colony people and will irrigate five thousand or more acres of land. The other plant contemplates the irrigation of 10,000 acres of rich bench land adjacent to Nyssa.

These two irrigation enterprises mean not only the addition of 15,000 or more acres of fertile land brought under cultivation near Nyssa, but the putting into circulation of a large amount of money for construction work, with this city as the supply and outfitting point.

## Mary Kay Students Present Program

Teachers at the Mary Kay School helped their students perform a school play May 18. The children did very well in presenting the various skits, starting the program by saying the Pledge of Allegiance with the audience of about 100 joining in.

After ten other songs and short plays they concluded with a song, "Are You Happy?" with the audience again joining in. The children and teachers really enjoyed themselves and it was very rewarding for the teachers, as well as the parents.

Their are four students from Nyssa attending the school this year.

All of the students are gaining very much by attending this school, not only in simple reading and writing, but also in social behavior, which is very important to every human being.

## Committees Named

Members of the Amity Club met Friday night, May 21, at the home of Mrs. Frell Blair with Mrs. Snowden Roberts as co-hostess.

President Helen Peterson was in charge of the business meeting. Committees were appointed as follows: Programs, Mrs. Edison Child and Mrs. Don Walker; Entertainment, Mrs. Taft Pett and Mrs. Charles Mann; Gifts, Mrs. Waynard Talbot and Madge Wilson.

Hobbies of crocheted rugs, ceramics, afghans and other knitted articles, fruit and floral arrangements were displayed and explained by Mrs. Peterson.

The door prize was won by Mrs. Talbot. Refreshments were served.

Next meeting will be hosted by Mrs. Pett and Mrs. Mark Moncur June 3 at the Moncur home.

A summer picnic will be held in July with Mrs. Solon Lewis, Mrs. Carl Burningham, Mrs. Edison Child and Mrs. Elwood Flinders in charge of plans.

## Granny's RECIPES & RULES

Recipes and important rules of conduct from the cookbook of Great Grandmother Burger, published in 1800. Information received from Mrs. Dale Witt.

### CREAM RECIPES

In using recipes with cream, they did not have cream separators in those days. MILK was put in crocks, and the cream was thick, often not skimmed, until milk had soured. It was then churned into butter or cream used in cooking. Some milk was given to pigs, chickens, and young calves. I use sour cream for cookies in recipes calling for 1/2 cup of shortening and 1/2 cup milk. I use 1 cup sour cream and often add a big tablespoon of shortening so it will be rich enough. If it doesn't call for milk, add just a little more flour and can still use the cream. This works good with cookies as you can bake a sample if in doubt.

### FASHION

WHY DOES IT CHANGE? Because change is one of nature's laws. If there was no change there would be no motion, and without motion there would be no life.

Change is ever going forward in nature. Today it is spring and all nature is waking to a new life. A few weeks hence and every tree and shrub will be clothed with a garb of green, sprinkled with blossoms. Later, the green of various shades will merge into autumn tints, and later still nature will doff her garb entirely, only to clothe herself in the coming years again with various changes, according to the seasons.

So mankind instinctively changes in style of costume, often times for better, and sometimes it must be admitted for the worse. But the change ever goes forward, fashion re-

## COMING EVENTS

## Hometown

Mrs. Harriet Warren and Mrs. Tom Johnson were Sunday dinner guests in Caldwell at the home of Mrs. Johnson's daughter, Mr. and Mrs. Pat Sweeney.

Dr. and Mrs. K.E. Kerby were visited from Thursday until Monday by their cousin Pat Smithson and Carole Drexel of Southern Pines, North Carolina. The Kerbys entertained their guests at the Wallowa Lake Cabin.

Mr. and Mrs. Paul House of Quincy, Wash., visited Thursday at the home of their daughter, Mr. and Mrs. Glenn Marcum. While here Mr. and Mrs. House accompanied Mr. and

Mrs. Adam Focht to Boise where they attended a retirement dinner in honor of Dean Boyle. Mr. and Mrs. House then visited their daughter, Mr. and Mrs. Ray Barnes in Vale before they returned home.

**STORY TIME**  
Story Time at the Nyssa Public Library will discontinue until fall.  
Last Story Time was held Saturday May 22, from 3 to 4 p.m.  
Watch for the opening date which will be announced.
