August Blood Drawing Results

At the August 17 blood drawing held in the Eagles Hall, 47 pints of A-plus blood was given in response to the plea for that particular type. It was needed due to open heart surgery scheduled in Boise the following day.

There were 49 donors for the much needed O-type, which is most compatible for use in blood transfusions.

Fifty-nine pints were given in the name of Jim Robinson as a replacement.

According to the records of the Nyssa Blood Procurement Committee, these additional names should be added to the list published after the drawing of those receiving pints.

Four-gallon pints were awarded Gladys Cooper and Dick Tensen; three-gallon pints, Bill Fitzsimmons and George Griffin of Parma; two-gallon pints, Farrell Peterson and Donald Bre-shars.

response to an offer for a public corridor-design hearing, and after study of engineering, environmental, and socio-economic aspects, proposes to approve the combined route location and highway design for right-of-way acquisition and future construction on the Snake River (Adrian) Bridge Section of the Parma Spur Highway near the community of Adrian, Malheur County, Oregon.

The proposal consists of revision of the existing alignment to provide a new structure 40 feet in width over the Snake River with adjacent road sections of 12-foot travel lanes and 8-foot shoulders. The project is approximately 0.13 mile in length.

Maps and related data pertinent to the proposal are on file and available for review and copying, if interested persons desire, in the Highway Commission files, State Highway Dining, Salem.
