### LETTERS TO THE EDITOR

Editor, The Journal:

This is National Newspaper Week, and I think it only fitting that we show some appreciation to our newspaper carrier boy. These young men are learning our free enterprise system, and faithfully deliver our papers in every kind of weather, hot or cold, rain or shine. I gave our boy a small gift, why don't you?

Mrs. Bessie Long

Editor, The Journal:

To see pictures and hear about shooting penned buffalo or any defenseless animals makes me sick to the stomach. Persons who would do such and call it sport, bear watching.

Also, in cases of man shooting man, the "fake" charge of aggravated assault is ridiculous in cases of shooting. The only charge should be murder or attempted murder, with life imprisonment or death penalty for conviction.

Walter Burdett, Nyssa, Oregon
