HOLIDAY HINTS HELPING SANTA Instead of letting unexpected holiday dinner guests put you in a fizzle, play it cool by freezing extra buffet helpings for drop-in visitors. For a safer and merrier Christmas, be sure the toys you buy for your children are hazard-free. Toys requiring alcohol, kerosene, gasoline or carbide lamps are extremely dangerous when placed in young hands.

One of the best ways to encourage scholastic achievement is to give a youngster a typewriter of his or her own. Portable models like the Hermes 3000 and the Hermes Rocket are not only lightweight, durable and easy to use... they also fit comfortably into almost any Christmas-present budget.
