

Adrian High School Tumbling Team In Action

Shown are some action shots of the Adrian High School Tumbling Team. On the upper left is a girl shown doing a headstand and spring over the 5 foot 6 inch high vault box. In the top right picture is a group in the ladder formation position. At the right is a girl doing a headstand on the Balance Beam. The Balance Beam is four inches wide, 16 foot long and four feet high.

The Tumbling Team is available to perform at school functions, organizational meetings, or anyone who needs someone for entertainment. They will present shows from six minutes to hour and a half shows. Call the Adrian High School and ask for Miss Carolyn Schultz, P.E. instructor for bookings.

Final Wheat Payments Made

Blaine Girvin, Chairman, Malheur County Agricultural Stabilization Conservation Committee, announced that checks totaling slightly over \$100,000 in final payments under the 1971 set-aside wheat program were mailed December 16th to Malheur County wheat producers. There were approximately 500 participating farms in the 1971 wheat program. These payments are in addition to preliminary wheat payments of \$280,000 made to Malheur County farmers on July 1.

The final wheat payment is the difference between the final face value of the domestic certificates -- determined to be \$1.63 per bushel -- and the preliminary payment. The final face value of the certificates is the difference between 100 percent of the parity prices of \$2.93 on July 1 and the national average wheat price of \$1.30 received by farmers for the 5 month period July through November.

The final payments are computed on the basis of 43 cents per bushel. Preliminary payments of \$1.20 per bushel made on July 1 were based on 75 percent of the \$1.60 estimated face value of domestic wheat certificates on July 1.

Malheur County Fair Funds Less Than Expected

The Malheur County Fair Board has received information from the County Fairs Commission stating that the Fair's share of the Merit Funding allocation will be less than previously indicated. Gordon Capps, Chairman of the Board stated that the point value has been established, which will give Malheur County approximately \$7,433.

Capps stated that \$247,795.00 will be distributed among the 35 fairs in Oregon before the 31 of December. Malheur County had a total of 785 points out of a possible 1000 putting them 19 in the point listing.

Capps stated that the Malheur County Fair is self-sustaining receiving no tax funds in administering the grounds and the annual Fair. This poses a double penalty since under the Merit System self-sustaining fairs are marked down for this lack of cooperation from the county.

Funding for the fair and maintenance of the facilities for year round use of the community comes from racing funds allocated the Board under specific legislation and from rental charges. Capps stated that much of the use of the grounds

Mr. and Mrs. Oscar Schafer were Friday dinner guests of Mr. and Mrs. Jack Elliott.

Mr. and Mrs. Carl Begeman were Sunday evening visitors in the Oscar Schafer home.

Mr. and Mrs. Klaas Laan were Sunday afternoon visitors in the Ray Laan home in Parma.

Mike Osborn returned home Saturday from San Diego Naval Training Station for a two weeks leave to visit his parents, Mr. and Mrs. Myron Osborn and family.
