This four-some group starts with Roberta Asumendi doing a backbend and then still in that position rolling forward onto her chin and on over into another back-bend, where-upon 165 lb. Frank Asumendi and 50 pound Rick Olsen on his shoulders, stand on Roberta's stomach while Wanda Gregg runs and does the "sliding splits" under Roberta's back-bend.

Shiela Pratt is shown doing the "Ronda Walk" on the balance beam which is 4 inches wide and 16 feet long.

This action shot shows Frank Asumendi doing a "Floor Dive" over eight of the tumbling team group. He and his younger brother, Louie do this without the aid of a mini-tramp by just running and diving, which involves approximately a 10 foot jump.

AHS NEWS

FATHER-DAUGHTER/SON TRAMP JUMP

Each year the Girl's Athletic Association sponsors this event for the adult men of the community. The attendance keeps growing each year. Over thirty girls and boys and adults attended January 18 for two and half hours of fun.

The big tramp was the main feature, but many also tried the minitramp and the braver tried the vault box also. There were some spectacular smash ups on these two tricky pieces of equipment that added to the laughs!

Stars on the mini-tramp/vault box fiasco were adults Jim Holten and Donnie Hatch. The trampoline standouts were Bill Schenk, Dwayne Bennett and Jess Asumendi.

The "First Aid-Red Cross Award" for using the most band-aids went to Holten and Schenk as did the "Blood Donation" pins. (Blood donated all over the tramp and tumbling mats)

Coffee, punch and doughnuts were served during the evening. The Mother-Daughter Tramp will be held February 8, at 7:30 p.m. For excitement and laughs try and attend. All are welcome!

TUMBLING TEAM PERFORMS

The Adrian Tumbling team performed January 20 at the Adrian PTA meeting.

Presented were a "Suicide" which consists of a high jump on the tramp and turning over up high and coming straight down like an arrow, head first fill the short hair brushes the mat and then ducking your head at the last split second. Terry Case performed this beautifully. Roberta Asumendi who took a first in tramp at the gymnastics meet last year, performed her speciality, "The Baroni"-an up-side down twisting somersault-which eventually puts you in a position facing the direction originally started from.

Terry Case also set a new AHS record in "thief vaulting" at 12 foot-taking off the mini-tramp with one foot and sailing through the air for 12 feet in a hurdle position and then snap the leg forward as he goes over the box four foot high and 12 feet away.

Annette Chapin set a new Adrian High School record by doing a Diving Head Spring of 8 feet.

Report of Hospital Auxiliary Activities

The Malheur Memorial Hospital Auxiliary met Monday at the hospital.

Reports of committees were given. The women of the Nazarene Church did mending in January. New sewing will be done this week under direction of Freda Holcomb.

There are 26 active Candy Strippers. Norma Menchaca has given 200 hours of volunteer service.

Plans were discussed for a Hospital Benefit Auction to be held soon. Earl Bartron has offered his services as auctioneer and the Jaycees will help. Proceeds will go towards the purchase of the hydraulic lift for the extended care and nursing home bath.

Mrs. Loree Goff was introduced as the Hospital In-Service director.

Nyssa Bulldogs Eighth Win Against The Vale Vikings

Paul Trost led Nyssa to their eighth straight win as the Bulldogs beat Vale Tuesday night in the Viking gym by a close 50-46 score. Trost hit two free throws with two seconds to play to clinch the tight game, and was high for the Bulldogs with 13 points.

Vale played tight ball control throughout the game, and after the first quarter the slow play seemed to throw the Bulldogs off their usual high scoring pace. Nyssa led 17-8 after the first quarter, their lead dwindled to 27-24 at halftime, and the Bulldogs led by only one point after three quarters, 33-32.

Both teams suffered from injuries. Two of the Vale starting five were out, Yraguen with a pulled muscle and Camman with the flu; and Nyssa regular Ron Moffis was sidelined with a broken bone in his foot. Greg Blanch was still handicapped with a chipped bone in his left hand.

The Nyssa junior varsity lost their second game of the year by a 44-42 score in the preliminary game. Cold in the first half and down by a 34-19 score, the Bulldog JV's rallied in the second half and almost pulled the game out of the fire.
