Spuds and Beef

"Beef and potatoes are 'way out front as family food favorites,'" says Donald Ostensoe, Executive Secretary, Oregon Beef Council, "so why not a special 'beef and potatoes' cookbooklet containing creative, easy-to-prepare recipes developed by people who know beef and potatoes best?"

Such a booklet has just been produced, according to Ostensoe, and with special cooperation of the Oregon Beef Council. It's the new "Betty Crocker's Beef and Potatoes Recipes"--a joint project of the Betty Crocker Kitchens and the Beef Industry Council of the National Livestock and Meat Board. The Oregon Beef Council provided financial support to the project by helping to underwrite the cost of production.

"Betty Crocker's Beef and Potatoes Recipes" is being offered to consumers free with one proof-of-purchase from any Betty Crocker potato product package. Information on availability of the booklet is prominently positioned on 6.7 million specially marked packages in approximately 167,000 grocery stores throughout the country.
