

OUT OF THE PAST

10 YEARS AGO

Nyssa's telephone system will be converted to "all number calling" on June 20. Murrel Doan, Malheur Home Telephone Company manager, said that the change is necessary because of the growth. The "all number calling" system consists of using numbers for prefixes instead of letters.

A contract for building a new rectory for St. Briget's Catholic parish in Nyssa was signed March 5, with local contractors Holcomb and Main as low bidders, according to announcement by Father John Baumgartner. The signing of the \$29,403.82 contract is another step in development of the Nyssa parish.

Airman Third Class Leonard Krause was graduated March 9 from Air Police training at Lackland Air Force Base, Texas.

20 YEARS AGO

There is no salvage value in the beets that farmers left in the ground last fall, mostly because of weather conditions, Jared Lewis of Nyssa, district manager of the Amalgamated Sugar Company, said Wednesday.

Sugar company officials, who have been keeping close watch over the beets in the hope of harvesting them for processing this spring, could have been salvaged had weather conditions permitted, but since that time the beets have been almost completely decomposed by the alternating freezing and thawing weather.

Jared Lewis, a member of the housing authority of Malheur County, told the Chamber of Commerce at its weekly luncheon that his group has received between \$11,000 and \$12,000 from the government for improvement of the labor camp.

30 YEARS AGO

Establishment of a permanent labor camp in the Nyssa section is indicated in the report that the government has taken option on three pieces of ground in this vicinity. The last option was taken this week. It runs for 15 days.

Local communities are expected to cooperate in meeting such emergencies as transportation difficulties, housing, local labor mobilization and adaptation of school sessions. Advisory council representation from this section includes Ray G. Larson of Nyssa.

30 YEARS CONTINUED

The city councilmen meeting Monday night, instructed City recorder M.F. Solomon to contract Luther Fife and Albert Heldt to obtain an estimate on construction of a curb and gutter on Good Avenue between First and Second Streets and on Second Street between Good Avenue and Main Street.

Registration of the residents of Nyssa District for sugar rationing will probably be held early in April during a four-day period.

Consumers will register at the grade school within whose district they reside. Applications may be made on a family basis; that is, one member of an immediate family (father, mother, husband, wife, son, daughter, sister or brother) may apply for all such family members, provided they are residents under one family roof and share a common family table. Other members of the family unit not residing under a common family roof must apply individually.

Applicants for family units must file a separate application for each member of the unit, since ration books will be issued on a per capita basis. The serial number of each ration book issued must be posted on the individual application therefore.

40 YEARS AGO

Early spring finds growing activity in the colonization work of the Vale-Owyhee Land Settlement Association of Malheur County, according to F. B. Zultz, field agent.

"About 8000 acres on the East Bully Creek bench of the Vale project will receive water this spring," said Zultz. "At least a dozen settlers are already on the ground. They have built temporary homes. They are clearing brush. They are making ready for the transformation of a desert into productive farms. They will be ready to use the water when it is turned into the Vale canal on the east bench for the first time, a few weeks hence."

George R. Swan is having his apartment house modernized and improved throughout. Bathrooms and kitchen plumbing will be added for the convenience of all six apartments.

Fire broke out in the attic of the Nick Rudlick home last Saturday afternoon and made a good start in dry timbers before it was controlled by a large crowd of volunteer firemen of the city. The house is owned by H.E. Noah. He will have it repaired for Mr. Rudlick.

50 YEARS AGO

Ranchers in the Kolony Community are waiting anxiously for Spring, which is unusually late this year, the nights remaining so cold that, except for a few, high favored fields, the ground is still too heavy and frosty for plowing. A large acreage of wheat, largely Marquis will be seeded in the Kolony this spring. Also potatoes and head lettuce, under expert supervision will be grown.

Fred L. Sheets, publisher of the Nyssa Gate City Journal, announced this morning that he and associates had purchased the printing plant of The Book Nook. Mr. Sheets at one time was foreman of the Baker Herald plant. Since then he has been a resident of Malheur County having at various times been connected with printing plants of Ontario, Vale and Nyssa. Mr. Sheets has recently disposed of his interests in the Nyssa Journal and will move his family to Baker.

BRIDGE ACTIVITIES

Mrs. Bert Lienkaemper entertained members of the Thursday afternoon bridge club, March 9. Guest players were Mrs. Fred Guthrie and Mrs. E. Otis Smith. Mrs. Harry Miner and Mrs. Tom Eldredge were prize winners.

The Raymond Larsons hosted the Mr. and Mrs. Bridge Club Sunday March 12. Guest players were Mrs. John Stringer and Mrs. Rex Voeller. The club keeps a running score.

The Saturday evening couple's bridge club met at the home of Mr. and Mrs. Gerald Simantel March 11. Two tables were in play with high score going to Mrs. Don Oldemeyer.

The Sunday evening couple's bridge club met at the home of Mr. and Mrs. W. L. McPartland March 12. Guest players were Mr. and Mrs. Bill Morrison. Boyd Wilson was high score winner.

Toastmistress Club

Winner of the Speech Contest held by the Treasure Valley Toastmistress Club March 9 was Mrs. Margaret Gough of Parma. Mrs. Gough will compete on the Council level at a later date.

Judges for the five contests were Mrs. Ruby Master-son and Mrs. Sharon Sutherland of Ontario; and Mrs. Walter McPartland and Gary Condon of Nyssa.

HALOS

Stardusters OES met March 13 at the home of Louise Wernick.

Mrs. Amalia Pratt, president, presided over the business meeting. Thirteen members answered roll call.

Following the meeting the women worked on tray favors and pin-ons. They made one hundred of each to be sent to the Masonic Home in Forest Grove, Oregon.

Refreshments were served by the hostess. Next meeting will be held April 10, the place to be announced later.

ORDER OF EASTERN STAR

Stardusters OES met March 13 at the home of Louise Wernick.

Mrs. Amalia Pratt, president, presided over the business meeting. Thirteen members answered roll call.

Following the meeting the women worked on tray favors and pin-ons. They made one hundred of each to be sent to the Masonic Home in Forest Grove, Oregon.

Refreshments were served by the hostess. Next meeting will be held April 10, the place to be announced later.

Wednesday, March 22 at 7:30 p.m. the Christian Church is featuring the "Halos" group. They wish to extend a community wide invitation to everyone to see this outstanding group.

The Halos are a high school age singing group, with appeal for all ages. They are now on their spring tour and were only available for this one evening in an otherwise full schedule.

There will also be a potluck dinner held at 6:30 p.m. the same evening to which everyone is invited. Bring your dinner and come and enjoy the evening of fellowship, food and good gospel music.

The Church is located at 5th and Ennis Avenue, Nyssa.

Owyhee Garden Club

The Owyhee Garden Club met Friday March 10, at the home of Mrs. Ira Price, with approximately twenty in attendance.

A dessert luncheon was served by the hostess and co-hostess Mrs. Fred Arai.

Mrs. Keith Tallman, president, presided over the meeting. Following the reading of the minutes and roll call, the meeting was open for discussion on meetings to be held this summer and several ideas were suggested. Following the meeting a social hour was enjoyed.

The Best Warranty This Side of a Rolls-Royce

You can't put a price on the warranty you get with a Volkswagen. You see, a Volkswagen warranty runs twice as long as anybody else's small car warranty. And only one car, the Rolls-Royce, has one better.

Here's how it works. All you do is maintain the car according to the Volkswagen maintenance schedule. If any factory part is found to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first (except normal wear and tear on service items) any U.S. or Canadian VW dealer will repair or replace it free of charge. See your dealer for details.

More Than 5,000 Inspections Per Car

The story behind our warranty starts at the factory. Where 1,104 nit-picking inspectors have one job, and one job only. To find something wrong with a Volkswagen before that Volkswagen finds its way out of the factory.

Every one of the more than 5,000 parts that go into a VW is carefully examined. Some of them get the once-over; two or three times. If one of our inspectors is unhappy with only one of the parts, the whole car gets pulled off the line. Sometimes we pull as many as 225 VWs a day. But it's worth it. We pick the lemons. You get the plums.

The Most Advanced Service System In The World

No other car maker anywhere can offer you Medi-car, Volkswagen's ultrasensitive Electronic Diagnosis. It's designed to spot problems in your Volkswagen when they're at the minor adjustment stage. Long before they can do any real damage to your car or your wallet. Every one of our dealers has VW Diagnosis. And you get the first four check-ups free with a new VW.

The Highest Resale Value

Based on what's happened in the past, no other economy car on the road holds its value after 3 or 4 years as well as a Volkswagen. So, if you're thinking about buying a new car, think about what it's going to be worth when it's an old car. Because when the time comes to part company with your VW, you won't be left holding the bag. Unless that's what you carry your money in.

\$1999.

Including the car.
