

Mexican Hat Dance

Shown are six of the Mexican-American students from Hillsboro doing the Mexican Hat Dance as they entertained Nyssa Junior High School Students Friday.

Students Pick Up Trash

Nyssa High School students filled two dump trucks with debris as they covered the city and school yards picking up trash in observance of "Earth Day" last Friday.

Gov. McCall Announces Increase In Tourism

Tourism scored a sharp increase in 1971, Governor Tom McCall announced today. Current figures show a dramatic jump forward of \$98,796,000 over 1970, McCall said. "That's the biggest increase in the history of Oregon tourism, and a rich bonus for all Oregonians." Total estimated Oregon tourist income for 1970 was \$339,465,000. In 1971, the figure was \$438,261,000. Expenditures rose in every category of tourist revenue. The new study, conducted by the Travel Section of the Oregon State Highway Division, uncovered these key statistics:

Visitors rose from 1970's 9,083,000 to 10,540,000--a jump of a million and a half; Visitors spent more daily--averaging \$12 per automobile passenger over \$10.24 in 1970; \$40.81 per person per trip above \$35.83 in 1970; average trip expenditure per car was \$110.19 up from \$96.89 in 1970; Expenditures by plane, bus and train visitors rose \$38.6 million over the 1970 figure of \$35.8 million. According to the survey, visitors increased from all areas east of the Rockies, both in numbers and in percentage of the total.

Nyssa CAP Sets Auction

The Nyssa Civil Air Patrol will be asking for bids on several items, including a 1943 Jeep and a 15 KW trailer mounted generator to raise money for squadron radios, according to Jack Walker, CAP commander.

Walker invited persons to contact him at 473-2588 for additional information, adding that these bids could be 100 percent tax deductible if accepted.

Other items up for bid include a Jeep power plant engine in "very good" condition and a link trainer, which works but needs repairs and adjustments. Also an Army Amtrak radio receiver and transmitter, obsolete, for parts only.

The squadron will receive bids on these items until April 27 at 5 p.m. Bids can be sent to the CAP Nyssa Squadron, P. O. Box 426, Vale, Oregon, 97918 and envelopes should be marked "Bid for Surplus." CAP reserves the right to reject any or all bids.

Bids will be opened in public at 422 11th Street North, Vale. Checks, made out to "National Headquarters, CAP," must accompany bids.

Percentage of Californians decreased from 44.5% to 41.3% although in total numbers they showed an increase. Californians ranked high in spending, providing 50.5% of all funds left by out-of-state tourists.

Copies of this study are available--in complete survey form or in summary--from the Travel Information Office of the Highway Division, 101 Highway Building, Salem, 97301.

Attend FHA Meet

Boarding the bus to attend the FHA State Meeting held in Corvallis, April 7 and 8 are from top, Mrs. Virginia Steffens, FHA advisor; Sharon Kurtz, chapter president; and Eileen Joyce, chapter vice-president. The bus driver is pre-occupied counting tickets.

The theme this year was "Opportunity's the Key--Let It Begin With Me".

All chapters assisted with the responsibilities of the state meeting. Sharon and Eileen helped usher at the convention.

The average newspaper weighs 10 ounces.

How come it's too heavy to carry to a litter basket?

Music Students To Schedule Spring Concert

April 21 marks the date of the Nyssa High School Music Department's Spring Concert at 8:00 p.m. in the Multi-purpose room.

High school band, directed by Craig Northrup, will perform numbers used in the District Concert Festival. "Charter Oak", a march; "Masque", a number featuring the percussion section; and "Sequoia", highlighting various solo instruments.

Prep choir and concert choir, directed by Gary Condon, will also participate. The concert choir will feature "War Chant", composed by Ron Schoen, a member of the group.

Nyssa Band and Choir Each Receive Top Rating

CRAIG NORTHROP

GARY CONDON

The Nyssa High School Band and Choir each received a I rating for their performances at the Southeastern Oregon Music Educators Festival held at Nyssa last Saturday. The band is directed by Craig Northrup and the choir by Gary Condon.

Bands and choirs from all over Eastern Oregon met in the all-day session to perform for each other, and before a

distinguished panel of judges. In addition to Nyssa, the Baker High School Band also received a I rating, and the LaGrande High School Girls Choir was awarded a I rating.

Bands who received a II rating were Adrian, Ontario and Vale. The other choir ratings were Adrian II, Nyssa Prep Choir II plus, Ontario Girls Choir II, Ontario Concert Choir II, and Vale III.

NYSSA PUBLIC LIBRARY

ADULT FICTION

- "Kill With Kindness" and "Rain With Violence" - Dell Shannon -- The usual good mystery reading for patrons. "Leap in The Dark" - Donald Gordon -- An SST adventure by the author of "Star Raker". "Trap The Baron" - John Creasey -- The author plays Anthony Morton in this Walker mystery. "Vanderberg" - Oliver Lange -- A power novel written by a very original-thinking author. "That Man Cartwright" - Ann Fairbairn -- This is a novel of a land and its people.

We offer easy and liberal credit terms...and we carry our own contracts. The single April shopping day, designated as "GIVE-AWAY-DAY" will be selected at 5 p.m. Saturday, April 29. You could be among the lucky people!

Keep dodder down, alfalfa seed yield up.

PPG's Chloro IPC Herbicide (20% granular) controls dodder during the crucial 10 to 14 days between seed germination and before attachment to the host alfalfa plant. Therefore your alfalfa won't be sapped of energy-producing nutrients and moisture needed to maximize growth and seed yield. CIPC can help you get a bigger alfalfa seed harvest, a higher grade

of seed, and lower cleaning costs. CIPC is also very effective at controlling watergrass.

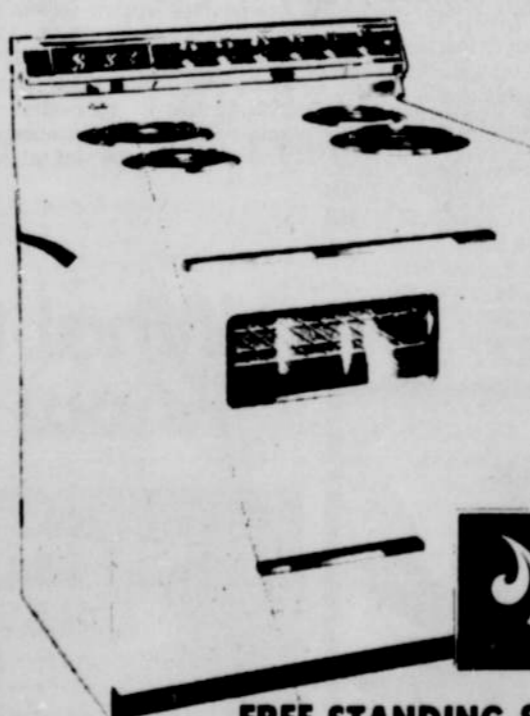

Your local supplier has a complete dodder-control program worked out for you. Call him this week. Or write for our dodder-control leaflet: PPG Industries, Inc., Chemical Division, 1500 N.E. Irving Street, Portland, Oregon 97232.

PPG: A Concern for the Future

Granules of Chloro IPC disintegrate in soil moisture, spread out in top layers of soil, and stop dodder growth. Alfalfa plant is left unharmed.

Andrews Seed Company, Ontario, 889-9109 Treasure Valley Farm Service, Parma, 722-5100 Feed Service, Inc., Nyssa, 372-3753

FREE STANDING SLIP-IN 30 INCH ELECTRIC RANGE
