ADRIANA KUNKEL

Candidate for TVCC Trustee Zone 7

Background and qualifications: B.S., C of I; M.S. and Ed.D., Utah State University. 20 years of teaching--3 of these at the college level. Active in professional groups and church. Three children: Miriam, a freshman; Kathryn, 8th grader, and John, 4th grader. Husband Paul is Chief Chemist at the Amalgamated Sugar Company.

I believe in quality in Education. But quality can't always be bought with money. It takes a concerned effort on the part of the administration, faculty, board, and people of the community to make a quality institution. In this area we have the lowest annual family income in the state, yet we have one of the highest tax rates (\$2.38/1000 true cash value) for the support of our community college, and our best students are counseled to go elsewhere for quality education. I'm running on a platform that includes economy but quality education at TVCC.

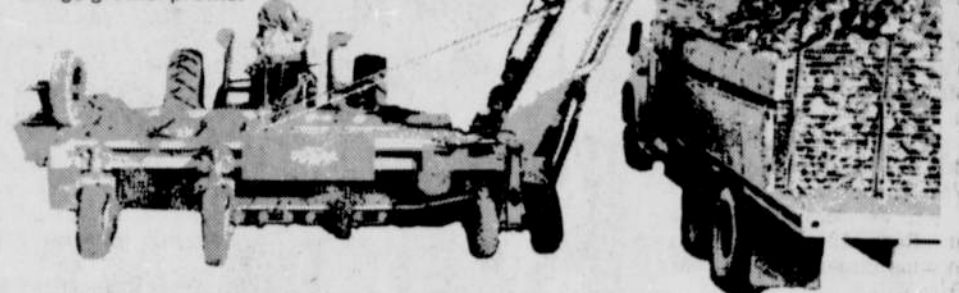

I, also, urge defeat of the tax base at this time. The TVCC tax levy is at its highest in three years or more. What if the enrollment should go up or more state support is legislated (as some of the Community College Presidents have indicated) then the tax payers will be saddled with a high tax base. Now and FUTURE taxpayers should keep this in mind when voting for or against the tax base.

Please vote in the TVCC trustee election Tuesday May 23, 1972.

AN OPEN LETTER TO MALHEUR COUNTY DEMOCRATS

As Democrats who are concerned about achieving the strongest and most responsible representation for Malheur County, we are writing in the name of Bob Smith for the State Senate in District 30.

Bob Smith has received the write-in nomination of Democrats for the past six years---proof positive of his non-partisan approach to service in the State Legislature. As House Majority Leader for four years, and as the first man in Eastern Oregon history to serve two terms as Speaker of the House, Bob Smith has brought political honor and influence to his district and to Eastern Oregon.

We recommend that all Malheur County Democrats join us in guaranteeing continued responsible leadership by writing in the name of Bob Smith for the State Senate next Tuesday.
