Names of 1500 students have been announced as 1972 Oregon Scholars by the State Scholarship Commission. The students earning this honor are selected from all high schools in Oregon on the basis of their outstanding academic achievement. It was explained by Tom Scanlon, chairman of the Commission.

Average grade point of those named as Oregon Scholars this year is 3.84, Jeffrey M. Lee, Executive Director of the Commission, reported. The group chosen as Oregon Scholars was selected from the 1972 graduating classes of Oregon high schools totaling approximately 35,000.

Each recipient will be presented with an Oregon Scholar certificate by the Commission. In addition, Governor McCall and School Superintendent Parnell will send letters of tribute to the Oregon Scholars of each high school. Most high schools also will incorporate Oregon Scholar awards presentations into their graduation ceremonies.

Grant Baugh assumed his duties as range conservationist in the Vale District, Bureau of Land Management, Monday, May 22. George R. Gurr, district manager, said Baugh fills the vacancy left in Southern Resource Area by the transfer of Donald Peterson to Battle Mountain, Nevada.

### Illegal Aliens Are Arrested

During a raid in the Nyssa area, 25 aliens illegally in the United States were taken into custody by the Oregon State Police, Nyssa Police Department and Malheur County Sheriff's Department. Following the arrest, the aliens from Mexico were remanded to the custody of Immigration Service officials from Boise for deportation.

### PLANS ANNOUNCED FOR REALTY WEEK

because Realtors believe in emphasizing the positive aspects of America and because this year provides an excellent time to invest in property, "Call Your Realtor... He Sells America First - Everyday," is the theme for the 1972 observance of Realtor Week which begins today, Realtor John Vincent, president of the Malheur County Board of Realtors, announced.

"We have heard enough of the cynicism and unfounded complaints about America and our free enterprise system," Realtor Vincent said. "We have read and listened to a variety of vocal people, many with questionable motives, condemning the way of life which has given us the most prosperous, the most envied, the most powerful nation in history, with a maximum of freedom for every citizen. It's time to sell America first in every philosophical and social discussion."

"In addition, most economic predictions say that 1972 will be a period when economic factors stabilize. We foresee a banner year for anyone buying, selling, or investing in real property," Vincent said.

### BLM Range Conservationist

Grant Baugh assumed his duties as range conservationist in the Vale District, Bureau of Land Management, Monday, May 22. George R. Gurr, district manager, said Baugh fills the vacancy left in Southern Resource Area by the transfer of Donald Peterson to Battle Mountain, Nevada.

Baugh was born in Burley, Idaho in 1941. He attended Boise High School, Boise Junior College and the University of Idaho at Moscow from which he was graduated with a Bachelor of Science degree in Range and Forestry.

He spent three years in the U.S. Army with two and one-half years of this time in Italy. Baugh began his government service in the Boise, Idaho BLM district where he worked in fire control, worked as conservationist in the Idaho Falls and Ely, Nevada districts, and was stationed in the Reno BLM State Office where he worked in the Office of Information just prior to his transfer to Vale. His hobbies include hunting, fishing and skiing.

### Fair Board Works On Requests By Several Groups

The Malheur County Fair Board is taking under consideration several requests made by groups at its last regular meeting. Bill Stewart of the Eastern Oregon Hereford Breeders Association requested that some form of heat be made available for Girvin Hall to increase its use during winter months, and particularly for the annual bull sale which is held in February of each year. Some type of heat is also being considered for the Main Exhibit Hall which is used year-

round for various activities and events.

Additional wash racks for both cattle and hogs were discussed and Ron Mobley, County Extension Agent, reported that a group of volunteers will put in a wash rack the same size and adjoining the present one. Some funds for this have been collected, he said, and additional money or materials will be donated.

Ten complimentary tickets received from the Pacific International for their show November 10-18, 1972 were given

to the 4-H and FFA Division to assist in sending judging teams to the P.I. Gordon Capps, chairman of the Board, stated that it is hoped that this will help give Malheur County better representation at this well known stock show.

As in past years the Board agreed to sponsor scholarships to the 4-H Summer School held each summer in Corvallis.

Additional landscaping is planned for the grounds, particularly in front of the Commercial Building.

Work on the schedule of events and general planning for the up-coming annual county fair to be held August 16-19, 1972 occupied the remainder of the business session.
