LETTER TO EDITOR

Editor, the Journal:

We so often read of misdeeds of our young people.

Last Thursday I attended award day at our Nyssa High School. It was thrilling to be a part of their program conducted by the students for the students. Hundreds of exuberant, exciting, clean young people nearing the age of citizenship.

Then on Saturday I witnessed a Nyssa High School Junior perform a small deed, small to him yet to me a most significant and honorable act.

Noticing two American flags which had blown down on the side walk, he hastily stopped his car and took proper care of these flags. His act honored the symbol for which all America stands for and ever hopes to be.

This NHS Junior was Curt Lords.

Yours truly, Joe Maughn

OUT OF THE PAST

10 YEARS AGO

Members of Adrian High School student body held elections this week to select varsity cheerleaders for next year.

Senior girls named were Donna Davis and Judy Mackey. Selected from the junior class were Pauline Butler and Vickie Mendazona.

Fred Bennett was named commander of American Legion Post #79 during an election meeting held Thursday evening at Nyssa Community Hall.

20 YEARS AGO

Fire, which started shortly before 10 o'clock Tuesday evening, brought approximately \$150,000 damage in a 10,000 ton beet pulp warehouse at the Nyssa Sugar Factory.

The blaze started in a pile of 650,000 paper bags stored in the north end of the warehouse. Cause of the fire was undetermined, but Manager Jared Lewis stated that it definitely was not due to electric wiring.

Due to the quick thinking and deft actions of his older brothers, Dar Jensen, 2, was rescued from drowning in the canal above his home Thursday morning.

Stephen 5, and Ronald 3, and Dar were walking along the bank of the canal when Dar fell in. Stephen stood on some sod down the canal a short distance and fished him out as he came by. They said he had been under twice.

30 YEARS AGO

Because of the serious farm labor situation in this section, dozens of Nyssa residents trekked into the beet fields Wednesday and this morning to help in the thinning of beets.

Business men, their employees and others will continue to work in the fields until the work is accomplished or greater outside numbers of workers become available.

The Nyssa Lions Club voted to help pay the expenses of sending a boy to the Beaver

Boys' State, sponsored at Corvallis each year.

The Lions Club, American Legion and Chamber of Commerce are expected to pay one-third each toward the boys' expenses. The Nyssa delegate to the boys state has not been selected.

40 YEARS AGO

Snake hunters invaded the desert in the vicinity of Rockville, south of Nyssa Saturday and their catch was 30 reptiles of the rattling variety. There was money in the hunt, a Seattle zoo having assured payment of \$1 for each live snake.

Two hunters Francis Pickett and Herbert Miller had no difficulty in making the snake round-up. They located a den in a chalk hill about six miles south east of Rockville near the Poison Creek road. They caught the snakes with a fish line noose. They were plentiful hundreds instead of dozens, which could have been captured.

The snakes snared for the zoo were big ones, carrying from nine to 18 rattles. Larger ones were about four feet long. The hunters placed them in sacks.

50 YEARS AGO

A mass meeting was held at the school house Wednesday evening to hear the report of the committee recently appointed to consider plans for community welfare. As a mass meeting, it left considerable to be desired as there were not enough present to eat up all the sandwiches, doughnuts and coffee that Mr. Faust served at the close of the meeting. But what we lacked in quantity was more than made up for in quality, and some good work was accomplished.

Earl Wards favorite driving team is evidently one of those rarin' to go kind. It ran away with him twice Wednesday and at the end of a perfect day was still feeling frolicsome and gay. Earl attributes their running propensities to our wonderful climate.

Wear A Buddy Poppy

In 1918, the servicemen returning from Europe brought back memories of the battlefields in France. On Flanders Field, the poppies grew along side the trenches, shell craters, among the barbed wire and covered the graves of those who had fallen on the battlefields.

The flowers soon took on a special significance for the soldiers as a living symbol of their dead comrade's sacrifice.

Nationwide distribution of the Memorial poppies began in 1921. Silk poppies made in France by the French widows were among the first used. The Poppy is also the memorial flower of the British Legion. The first American poppies were produced by veterans in the Minnesota Hospital. Now poppies are made in more than 80 hospitals and 40 disabled veterans workshops.

Wear your Poppy proudly on May 26.

Golden Wedding Service Slated By Christian Church

The Annual Golden Wedding Worship Service will be held at the Ontario Christian Church, June 4, 1972.

The service will seek to honor those couple's of our area who have been married 50 years or longer. Special recognition will be extended to the most recent Golden Wedding Couple, as well as the couple married the longest and the couple who traveled the longest distance for this service.

The theme of the hour will be "The Seasons of Marriage," and the message of the same title will be presented by the Pastor, Ed McIndoo.

Special music will be "Yesterday, Today and Tomorrow," as presented by the Choir. A reception will follow for Golden Wedding couple's to visit with one another.

MEN'S PRAYER BREAKFAST

The first Men's Prayer Breakfast was held Monday morning at 7 o'clock, at the United Methodist Fellowship Hall, with Cecil Evans and Raymond Sager providing the food and their wives doing the cooking.

After prayer and breakfast the questions of How? Where? When? and Who? were discussed. It was decided that for the time being, the Breakfasts will be held the first working day of each week at the United Methodist Fellowship Hall at 7 a.m. Breakfast will be for all men of the area who are interested.

The cooking will be done by the men with a new volunteer each week. A new leader for prayer and lessons will be chosen each week. This should bring some new thoughts to us.

The next Breakfast will be Tuesday, May 30 at 7 a.m. Worship leader will be Don Somers and head cook will be Dale Adams. Let them know if you are coming.

THANK YOU!

We wish to thank the many friends of Grace P. Day for the beautiful sprays of flowers, cards and the memorial fund for the Presbyterian Church of Adrian.

Also a special "Thanks" to Rev. Wilson.

CARAVAN PROGRAM ENDS FOR SEASON

Last Sunday marked the close of the Caravan program for the boys and girls for the season. Awards were presented Sunday morning for achievements earned to that time.

The Pathfinders and Trailblazers participated in a Caravan Fair in Nampa on Saturday, with displays, demonstrations, talent contests, races, and other activities that filled the day.

At the fair, awards marking completion of the Caravan program were given three participants from Nyssa. . . Sherrie Fitzsimmons, Sally Looney, and Charles Pickett.

Don Wilson has been Senior Guide during the year and has been assisted by a good group of other adults for the six age groups involved in the Caravan.

Also, last Sunday a Baby Day emphasis honored parents and the little children present with colored pictures of the children being presented to the parents. Mrs. Arlene Seward directed a program in which a number of children recited poems in honor of the little ones, and Mrs. Dan Martin sang a prayer, "God Give Us Christian Homes."

Vacation Bible School will begin Thursday evening, June 1, and will continue each evening except Saturday and Sunday through June 9. Sessions begin at 6:45 p.m. and will conclude at 8:45 p.m. each evening. Mrs. Dan Martin is Superintendent of the school this year.

REALTOR WEEK

May 21-27, 1972

How to mistake a Realtor for someone who isn't.

It's simple, if you think that everyone in real estate is a Realtor. But it's not the case. You see, a Realtor isn't just anyone in real estate. He's the professional in real estate who is pledged to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards.

You can recognize one by his use of the term "Realtor." Or the Realtor seal, like the one shown here.

So when you're looking through these classified pages, look first for a Realtor. Someone who'll look after your best interests.

Your Realtor
Somebody good to have working for you.

We're celebrating with the Baja Champion SE.

Every year VW's race in the Mexican 1000. Over some of the roughest terrain in the world, The Baja Desert. Against all sorts of competition. And the VW's have finished first. Five times, in five consecutive years.

We're celebrating these victories with the Baja Champion SE. A limited production Super Beetle with special features.

- Like silver metallic paint.
- Special sports wheels.
- Special Baja Racing Stripes.
- A special plaque and certificate.
- An optional leatherette interior as standard equipment.
- And the same type of rugged construction and dependability that beat the Baja.

And for all that, it only costs a little more than a regular Super Beetle.

Like we said, The Baja Champion SE is a limited production car. We don't have many. So come in soon. Look over the Special Edition Beetle. And any other VW that catches your eye.

They're all made as if they were going to the Baja.
