

**Peterson Receives Plaque**

Dale G. Peterson, manager of KCID Radio in Caldwell, receives congratulations from Joe Jensen, Caldwell Chamber manager, for being named one of three Outstanding Young Idahoans. The plaque was presented to Peterson May 5 by the Idaho State Jaycees at the Jaycee's state convention. Peterson, 33, recipient of Caldwell's Distinguished Service Award in January 1972, will be entered in national competition for the Ten

Outstanding Young Men of the United States. Peterson is active in Church work, being Superintendent of The Young Men's Mutual Improvement Association in Caldwell. He is active in Boy Scouts fund drives, C OF C Committees, and is a member of the Lions and Rotary Clubs and the Salvation Army advisory board. Dale is the son of Mr. and Mrs. Glen W. Peterson of Nyssa. He married Mary Ellen Wynn, they have four children.

**Honors At OSU**

A total of 233 Oregon State University seniors and graduate students have been initiated into Phi Kappa Phi, national scholastic honor society.

Membership in Phi Kappa Phi is the highest recognition given at the university for scholastic achievement. The honor goes to fewer than 10 per cent of graduating seniors and master's and doctor's degree candidates.

Students initiated include Raphael C. Flanders, Nyssa, graduating from the School of Pharmacy.

**OLD BALLOTS FOUND AT CAIRO JUNCTION**

R.G. (Dick) Wells, Cairo Junction, has recently been remodeling his home. In tearing out his walls he found several old ballots in the wall. They were the Official Ballot for Cairo Precinct, Malheur County Oregon, November 5, 1912.

Many interesting names were on the ballot. Candidates for president were William H. Taft, Republican; Woodrow Wilson, Democratic; and Eugene W. Chafin, Prohibition.

One of the more interesting initiatives and Referendum Measures on the ballot was "A bill for an Act to create a State Highway Department, authorizing the Governor to appoint a State Highway Engineer at an annual salary of \$3600; providing his duties and making an annual appropriation of not to exceed \$12,000 for the maintenance of the department, including the salary of the engineer and his assistants."

The house belonged to a sister of Wells, Mrs. Pete Countryman and the ballots found were in remarkably good shape.

**Youth Camp**

Directors of the Lake Creek Youth Camp met last Friday, May 12th, at the campsite in Logan Valley, reports Rod McKay, President.

Cooks and caretakers were hired and plans made for the summer camping season. The Unity school will be the first group to use the camp on May 30th. The camp is available to youth and adult groups on a regular basis through August.

Dates are still available on the camp schedule. The spacious facility can handle groups up to 150 people. "The large lodge, 10 "A" frame sleeping units, boys and girls restrooms and other facilities offer an excellent place for youth and adult programs" states McKay.

Meals, sleeping quarters, and use of the facility are included in the daily fee of \$3.50 for member youth groups and up to \$6.00 for adult groups. The camp is operated on a non-profit basis primarily to provide a summer camping site for youth.

Do you have a group that could use such a facility located in the beautiful setting of Logan Valley, at the southern foot of the Strawberry Mountains? Further information is available at the Malheur County Extension office, states McKay.

These are the first crews dispatched this year from the Vale District. Extreme dry conditions are prevalent throughout the Southwest because of a long drought, he added.
