Two Nyssa Boys Injured on Bike

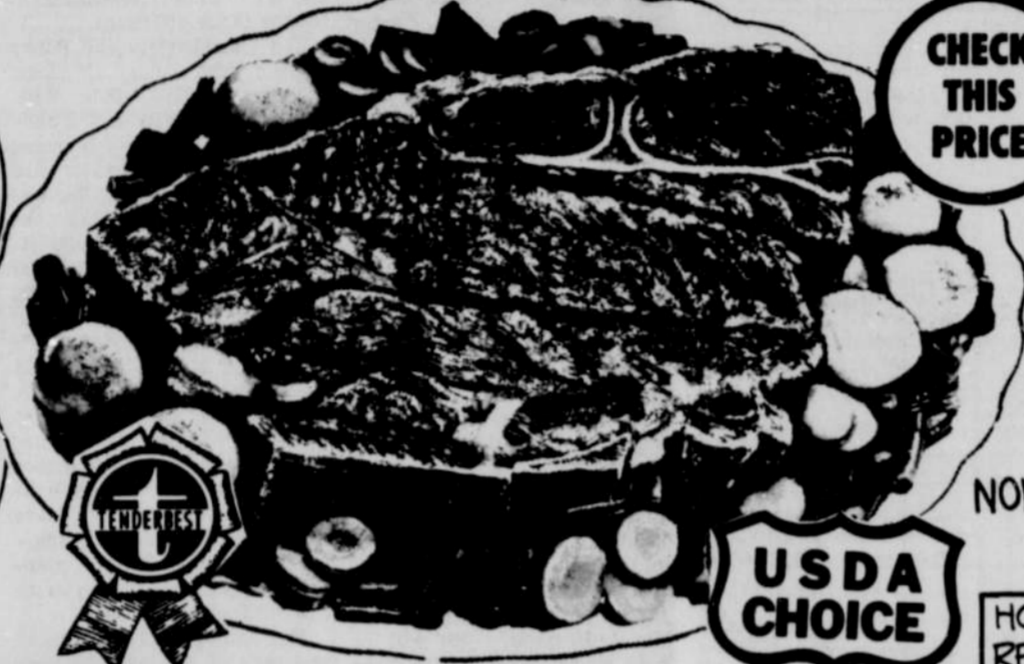

Clayton Webb, 14, and his brother Tom, 15, received injuries Friday, June 2 when a bicycle they were riding flipped over and they hit the pavement.

State Police officer Dave Calvert reported that the boys were riding the bicycle on Highway 95, north of Anderson Corner in Payette County. They were going downhill and were apparently traveling at a high rate of speed. A newspaper delivery sack containing gopher traps, hanging from the handlebars became entangled in the wheel of the bicycle.

The bicycle flipped, causing the boys to be thrown off. Clayton, was treated at Malheur Memorial Hospital for contusions to the right hip and a fractured elbow and released. Tom was not treated at the hospital, Calvert said.

AIR IN CIRCULATION
is vital to your comfort. A Lennox Total Comfort System constantly moves and treats the air in your home. It adds moisture to it. It filters it. It mixes fresh outdoor air with the inside air. It warms it.
Air flows gently, constantly, always mixing. Heat can't build up at the ceiling, leaving floors chilly. Central air conditioning is easy to add later.
These are just a few benefits of the Lennox Total Comfort System. For free information call:
