

OUT OF THE PAST

10 YEARS AGO

Part of a letter written by the 1961 American Foreign Exchange student, (AFS) by LEILA ALAMPAY

Saying "goodbye" is one part of my trip to the United States that I do not like, especially when I have grown fond of the people around me and love my American family. I am looking forward to the bus trip that's in store for me, but I am not eager to leave.

On August 20 of last year (1961), my family, Mr. and Mrs. Paul House, Bonnie and Butch, met me at the Boise airport. When we arrived home, Dad said, "Well this is your home—Welcome home." Those were the first words I had heard that evening, and I felt right at home with them, too.

I'd been wanting to live in a small town for a change and I'm glad I was sent to Nyssa because I don't know any other better place to live. Before I left home, my mother was worried when we couldn't find Nyssa on the Oregon map. I told her not to worry, AFS had taken care of that. After my first letter home, her worries were over.

My English teacher, Mr. Clyde Swisher, is one of the best teachers I've ever had and I congratulate NHS for having a good instructor like him on the faculty.

Believe me Nyssans, I've enjoyed my stay here, I like you, I like Nyssa and I'm hoping to return. I am thinking of pestering my American family again some day—maybe 1964, 1976 or 1982. Who knows?

After a tour of the United States Miss Alampay will leave from San Francisco and expects to arrive back in the Philippines around August 12.

Colleen Bybee was chosen Sunday for Queen of the Nyssa Rodeo. She is the daughter of Mr. and Mrs. S.P. Bybee. Princesses are Marie Hansen, daughter of Mr. and Mrs. Lawrence Hansen and Nannette Bybee, daughter of Mr. and Mrs. D.O. Bybee.

The 14-year war waged against polio by the March of Dimes has brought the nation close to the threshold of victory over the disease, Clyde Snider, chairman of the Malheur County chapter of National Foundation for Infantile Paralysis declared this week.

Only 21 patrons turned out Monday to cast ballots in the annual school election for the naming of one school board member. All votes were cast for John Schenk, whose term expires July 1. He will serve another five year term.

30 YEARS AGO

June 15 to June 30, inclusive, has been set as the time for the National scrap rubber drive. This has been made necessary through the critical shortage of tires and tubes during the past few weeks, and by this means the situation may be somewhat relieved. It is, however, necessary that every precaution be taken to conserve what tires are now on hand.

The lettuce harvest, which is now underway in this vicinity, will be completed within the next few days. J.C. Watson, produce dealer, said that pea picking was started this week and will last about two weeks. He estimated the district from Nyssa to Nampa would not ship more than 150 cars of lettuce this year as compared with 400 cars last year. The pea crop is estimated at 40 per cent of last year's. The quality of lettuce is good but the crop is shorter, partly because of the increased acreage planted to sugar beets.

40 YEARS AGO

"A trip to Tokyo Japan as stenographer for the American Trading Company of Denver held many thrills for me ten years ago," said Mrs. Grover Vest in a delightful chat for Nyssa Civic Club Wednesday. "My first pleasant surprise was the double value of American money. The Japanese were kind. When I became lost in the alley-like streets, someone was always ready to start me out right, or take me home."

"High fences separate many homes from the street and you cannot see the beautiful little gardens. It is a gorgeous sight to see the women in their bright kimonos and colored silk parasols."

Mrs. Vest displayed a pair of wooden shoes from Tokyo. Mrs. Estes Morton sang, "Rose in Bud." Mrs. C.C. Hunt read "Tribute to Oregon."

Refreshments were served at the close of the meeting with Mrs. J. Boydell hostess in charge.

The first car of head lettuce ever shipped from Malheur County and probably from the state of Oregon, was shipped from Nyssa Saturday, consigned to Chicago. The lettuce was grown on the W.L. Gibson farm and was of prime quality, the heads being solid and weighing and averaging two pounds or more per head.

The people of Big Bend are prepared for the biggest and best Fourth of July celebration ever held there.

The usual line of Fourth of July features will be in full swing from morning until the orchestra plays "Home Sweet Home" in the early hours of the next morning.

The big feature of the day will be the ball game between Nyssa and Parma. A place for horses and vehicles will be provided.

World War I Barracks Auxiliary # 352 met Sunday, June 18 at the Vale Grange Hall, with 27 members present for the 1:30 p.m. potluck dinner.

President Vivian Laurance presided over the Auxiliary meeting, beginning her reign for the coming year.

Several members reported on their trip to Portland where they attended the World War I convention the early part of June.

Those attending from this area were: Alfred Blocker, Mrs. Muriel McCutchen, Mrs. Virginia Sandy and Mrs. Ann Copple, all of Ontario; and Mrs. Agnes Jordan of Vale. Mrs. Jordan was installed as District #6 president while there.

Guest speaker was Mrs. Esther Deakins of Payette, Idaho State President.

There will be no July business meeting but a picnic dinner will be held at the Vale Grange Hall, July 16.

PAYETTE BABY RECOVERING

Tresta Guyer, six-month-old daughter of Mr. and Mrs. Tim Guyer of Payette is reported recovering satisfactorily at Primary Children's Hospital in Salt Lake.

The baby girl suffered severe internal burns six weeks ago, when fed a caustic compound by her 2 1/2-year-old sister. She was taken to Holy Rosary Hospital in Ontario, then transferred to a Boise hospital and recently she was flown to the hospital in Salt Lake City.

RODEO FINALS PLANNED JULY 7-9

Arriving at the Harney County Rodeo grounds this week were a load of buffaloes which will be used at the Oregon High School Championship Rodeo, July 7, 8, and 9 in Burns. Unlike the thirteen events which are limited to high school cowboys and cowgirls, the buffalo bucking is open to the public.

Entries can be mailed to Sheriff's Deputy Marvin Wilson at the sheriff's office in Burns, along with a \$10. fee. Winner of the three days of buffalo riding will also be recognized as the World's Champion buffalo rider. He will receive a championship belt and buckle in addition to the prize money.

Burns has the only rodeo in the world to feature buffalo riding and four television stations will have camera crews around the arena fences to record the event.

Arena Director Jack Peila said two arenas will be used simultaneously to get all the events within the three hour shows each day.

There will be a western youth parade, July 8 in downtown Burns. A mammoth buckaroo breakfast at the high school grounds from 6 a.m. until 9 a.m. that morning.

A special attraction the final day will be the drawing for a seven day, all expense paid

trip to Hawaii to some fan. Top three contestants in each event of the championship finals will be qualified to enter the U.S. National Finals in Colorado August 1 to 6.

Policemen Take Medical Course

Seventeen persons, which included the Nyssa's Police Force recently graduated from an Emergency Medical Technician's course at Malheur Memorial Hospital in Nyssa. This was 72 hour course which covered emergencies they might encounter on the job. This was not just a first aid course.

Doctors from the surrounding communities donated their time to give lectures. Among the doctors were Dr. K.A. Danford and Dr. K.E. Kerby, both of Nyssa; Dr. John Sigurdson, Ontario; Dr. Willis Hubler, Caldwell; and Dr. Ercil Bowman, Nampa.

Class coordinator was Loree Goff, R.N. and Dr. David Sarazin was organizing physician. The people of Nyssa have every reason to be proud of their training program.

Several other members of the Police Force also completed a similar 72 hour course in Ontario, to bring the total to 22 who have completed one or both of the 72 hour courses. Twenty of the twenty-two will take the exam in July.
