**TVCC FOOTBALL BEGIN TRAINING**

Thirty-one freshmen football players have so far expressed an interest in playing for Treasure Valley Community College. Among these Coach Farnworth hopes to find some starting talent as well as the depth he needs for an ambitious season schedule.

Ron Moffis had a sensational career at Nyssa, seemingly establishing new marks in every category but bench sitting time. In two years of varsity play, he carried the pigskin 386 times for 2014 total yards and 21 touchdowns. As a passer, he had 958 yards to his credit and 15 TDs. All of these are school records. Last season, he led Nyssa to their best season ever with an 8-2 posting.

Moffis was named second string all-state. Other sports which he performs above the average in, are, basket ball and baseball. He led the area in legion home runs this summer. Other area freshmen going out for football include Scott Smith, Nyssa; Sam Chaney; Adrian; and Pat Echanis, Ontario.

**JUNIOR BOWLING BEGINS SEPT. 16**

Altogether—actively concerned for many years not only with supplying essential energy for pollution control but also with improving the environment—Idaho Power has developed 13 major recreation facilities at its hydro projects total nearly 170 miles in length and provide a combined surface area of more than 30,600 acres for boating, fishing and hunting and other water sports.
