Advertisement for Idaho Power Company. The headline reads 'After the fun, a hot bath, with- flameless electric water heating'. It features a cartoon illustration of a man holding a large fish. The text describes the benefits of flameless electric water heating, such as efficiency and cleanliness. At the bottom, it says 'Idaho Power Company' and 'FLAMELESS ELECTRIC LIVING FOR A NEATER, CLEANER WORLD'.

Advertisement for the new bridge at Adrian across the Snake River. It features a large photograph of the bridge under construction. The text states: 'THE NEW BRIDGE AT ADRIAN across the Snake River is rapidly taking shape, with the old steel bridge in the background. The 40-ton crane of Willamette-Western Corporation of Portland, general contractors, drove the steel piling with a 12-ton hammer. It is operated by a steam boiler on rear of the crane. Curtis Duval is resident engineer for the State Highway Department, Leon Brock is state inspector, and Al Berklund is project foreman for the contractor. Expected completion date is next spring. The piers contain 100 to 150 yards of concrete, built around the steel pilings, and the spans are 113 feet between piers. The bridge will be 730 feet long.'
