**AAUW Sponsor Candidates' Fair**

A "Candidates' Fair" will be held at the Weese Building on the TVCC campus on October 12 from 8 to 10 p.m. All the candidates for Malheur County offices and for the State Legislature from this area have been contacted and all have indicated that they will attend. This Candidates' Fair is sponsored by the Ontario Branch, American Association of University Women and is completely nonpartisan in purpose. Mrs. Florence Sharp, director of the T. V. C. C. Learning Center, is to be moderator. She states that the candidates' presentations will be subject to time limit and that there will be plenty of time for questions from the audience.

In the overwhelming amount of publicity centered on presidential and state campaigns, the importance of local elections tends to be overlooked. A.A.U.W. feels that local government and our representation in the State legislature are also of great importance. It is to be hoped that this Candidates' Fair will attract a large number of interested voters from the entire county and that it will help voters choose wisely on Election Day, November 7.
