BSC First In TVCC Air Meet

Five schools competed in the air meet hosted by Treasure Valley Community College this past weekend. Twenty-five contestants from Oregon State University, University of Washington, Montana State University, Boise State College, and TVCC competed for six individual and one team award.

Boise amassed the greatest team point total at 72, with TVCC second with 58. Since TVCC has already qualified for the national competition, the Chukars withdrew from the official team competition in order that another team could qualify. University of Washington, therefore, took the second place spot behind Boise.

TVCC took individual honors in cross country, power off landing, bomb drop, and simulation

Nyssa Bulldogs Beat

Emmett Huskies, 21-8

Senior quarterback Rod Lewis passed and directed his Nyssa Bulldogs to a solid 21-8 victory over the Emmett Huskies Friday evening in a hard fought game. The strong defensive line of Emmett made running through the middle a frustrating experience, so Lewis went to the outside with his running game, and found his two top receivers Jerry Wilson and Pat Ross for repeated gains with excellent passing.

University of Washington won the computer event and Boise took the power on landing.

U of W, BSC, and TVCC will compete later this year in the nationals to be held in Carbondale, Illinois.

two-point conversion, and Emmett had 8 points on the scoreboard. Wilson ran for 4 yards and 6 points soon after, Dwight Calhoun passed to Lewis for the conversion, and the score read 21-8 for Nyssa after three quarters.

ROD LEWIS

The fourth quarter was scoreless, with the Bulldogs controlling the ball most of the time, but failing to make good on any concerted drive because of the penalties.
