

TVCC Prepares For Musical

Lucy would say, "It's a play about a blockhead and his friends." Linus would say, "It's a satire on mankind." The newly selected cast of the annual Treasure Valley Community College drama scholarship play, "You're a Good Man Charlie Brown", would say, "It's a must for fans of the popular Peanuts comic strip." This two-act play takes the best of Charles Schulz's comic strips and ties them together with catchy songs and dances. The story of a day in the life of Charlie Brown has no strong plot but rather relies on recurring themes - Charlie Brown's crush on that cute little red-haired girl; Lucy's pursuit of Schroeder, the intense pianist dedicated to Beethoven; and Snoopy's vendetta toward the Red Baron.

Recent try-outs named Scott Holloway of Ontario as Charlie Brown and Diana Bender, Vale, as Lucy. Also cast were Greg Schultz of Salt Lake City as Snoopy and Anita Borror, Ontario, as Patty. These four, known to local audiences because of earlier performances, will be joined by newcomers Frank Wolfe, Vale, as Schroeder and Lonnie Hunt as Linus.

Dorothy Hansen, director of the play, will be assisted by Wayne Phillips, technical director; Sally Seiler, choreographer; and Lorene Skousen as pianist.

The musical comedy will be produced November 29-30, and December 1-2 at 8:00 p.m. in the Administration Building. Tickets, which will be available soon, are \$1.00 adults, 75¢ students and 50¢ children ages six to twelve. Proceeds will be used for scholarships to be awarded to drama students of Treasure Valley Community College.

UP SCHOLARSHIPS OFFERED EMPLOYEES

A new scholarship program for children of Union Pacific Railroad employees has been announced by G. L. Farr, vice president-labor relations.

Starting with the 1972-73 school year, Union Pacific Railroad will offer 25 renewable scholarship awards of \$400 each to outstanding graduating high school seniors who are sons or daughters of UP employees.

Candidates for the scholarships must be seniors in high school, rank in upper one-fourth of their class at the time of application and meet all admission requirements of the college or university selected.

Scholarship selections will be made by a committee composed of two leading educators not associated with the railroad and two UP representatives. Award winners will be announced on April 1 of each year.

T.V. Association For Handicapped

Donna Edwards, speech therapist in the Ontario Schools, was guest speaker at the October meeting of the Treasure Valley Association for Handicapped and Retarded Children, Inc. held recently in Ontario.

Mrs. Edwards spoke on how parents can help enhance language learning for the exceptional child. Larry Silveira, director of Human Resources from Nyssa, appeared briefly at the beginning of the meeting to give a resume of the current progress in the development of a sheltered workshop here in the lower Treasure Valley.
