# REP. DENNY JONES REPORTS ON LEGISLATIVE ORIENTATION CONFERENCE

by Speaker elect Richard minate federal deductions on Eyman. Followed by President amounts paid to Federal Goof the Senate elect Jason Boe. vernment over \$2,000.00. Governor McCall then welus a summary of the main issues at stake.

Governor McCall was folgislative Administrator; Thomas Clifford, Legislative Counsel; Floyd Gould, Legislative Executive Assistant to the Governor, presented Governor McCall's tax proposal.

This tax proposal is much the but still did not have all of distribution formula straightened out and still did portation, capital construction or debt service

Legislative Interim Committee on school finance also presented their proposal which would consist of a 1% net receipts tax, this is levied on adjusted gross income. They proposed an increase corporation excise tax rate by 2.75

### Barnes Joins Prudential

John F. Marsh, Nyssa, sales manager for Prudential Insurance Company of America, announces the appointment of James L. Barnes as a dis-He will work out of the Ontario office covering Ontario, Vale, Burns and John Day.

JAMES L. BARNES

Barnes was born in Nyssa School. He served in the U.S. Navy from 1959 to 1961, and has Inc., since 1967. He and his wife Judy and daughter Leslie

is happy to have Jim with the company, and he will sell the The Prep Choir and Concert full line of Prudential coverage cident, retirement and educational insurance.

There would also be a \$5,comed us to the Legislature 000.00 exemption on the homeoffering his support and gave stead or dwelling home owners. Add new corporation income tax base (net receipts) and tax at 1%. Increase basic school lowed by R. E. Stevens, Le- support to about 50%, with an additional flat grant on a two This formula tiered basis. would provide property tax re-Fiscal Officer; Robert Davis, lief. Rep. Hansell also explained the increase in revenue under our present tax structure and explained that this would provide some property tax relief same as we knew it previously by increasing our basic school support. I think there needs to be a lot of work done to determine where the burden will not provide for school trans- fall under a new tax program.

> The afternoon consisted of seminars including the subjects of elementary and secondary education, local government planning and zoning, economic development and planning, community colleges, Federal revenue sharing, public welfare, human resources, correctional Barbara Tensen programs, higher education, natural resources, consumer Honored At OSU services and protection, environmental quality, public health, mental health, transportation.
