Western Bank closed 1972 with record deposits, loans and earnings. Part of the increases resulted from mergers with four other banks on October 1, 1972. President A. W. Sweet said, however, that gains would have been substantial without the mergers.

At year end deposits were \$118.5 million compared with 1971 restated figure of \$103.0 million, a gain of 15%. Reported deposits for 1971 were \$64.3 million.

Earnings for 1972 were \$996,837, or \$1.76 per share,

compared with restated 1971 earnings of \$763,593, or \$1.35 per share, an increase of 15%. Reported earnings for 1971 were \$497,603, or \$1.47 per share.

Sweet said that the board of Western Bank has recommended a stock dividend of 5%. Stockholders will be asked to approve this at the annual shareholders meeting to be held February 24.

Headquartered in Coos Bay, Western Bank has branch offices in Baker, Bandon, Brookings, Cave Junction, Clatskanie, Coos Bays Empire District, another branch in Coos

Both boys and girls tried out for the trampoline and the vaulting with the mini-tramp and the Swedish vault box. Everyone also tried out for

the general tumbling on mats, joy watching these students per-agility tests, and the vaulting, which soon separated the week-heated individuals from the more stout minded gymnasts-in-the-making.

Judges were former tumbler, Mrs. Sandi Smith, Nancy Callahan, Marsha Case and the coach, Miss Carol Shultz.

The team will be available for exhibition shows, although their schedule is rather crowded already. Their first show was a 40-minute program for the Adrian PTA January 18 in the cafeteria. Their programs range from half-times at basketball games to a one-hour show given in Idaho.

Anyone interested in non-competitive gymnastics will en-
