Scout-In At Ontario TVCC

A "Scout-in" which will demonstrate and test the skills of scouts in the Seven Rivers district has been scheduled for next Saturday in the West Park Plaza in Ontario, in honor of National Scout Week.

The Scout-in, which will begin at 10 a.m. will include activities by the Boy Scouts and Cub Scouts of the district from Burns to McCall and Cascade, with 27 scout units and 24 cub scout units participating.

Skills will include weightlifting, exercises, leg and arm wrestling, and balancing in the Cub Scout program and training on the proper use of the American flag, instruction and contests on the knot racks and training on identification of a plant life by the Boy Scouts. There will also be training on the abuse of and correct wearing of the new scout uniform.

LIGHT YEARS AHEAD

With no mechanical parts to snap, clatter, arc or click, this new mercury Super Switch® from General Electric was designed to be light years ahead of any ordinary wall switch you can buy today. Also available with lighted handles for convenience and safety in bathrooms and on stairways, the switch is backed by a 50-year guarantee from date of purchase against failure in normal home usage. If it does fail, just return the Super Switch® with a request for an exchange and GE will mail you a free replacement. And that's nothing to make light of when it's time to decide which switch to switch to.

"If you feel you have no faults—that makes another."

THE HOME, GARAGE, FREEZER AND PICK-UP of the Lupe Leos family were destroyed by fire last week. Located west of the Owyhee Community Church, the fire

apparently started in the garage, and spread to the house.

The Adrian Fire Department was called to the fire, and saved the front part of the house.
