PO2c Chris Webb Pvt. M. Maldonado

USS JASON - Navy Petty Officer Second Class Chris R. Webb, son of Mr. and Mrs. Clarence E. Webb of Adrian, has returned to his homeport in San Diego after a Western Pacific deployment aboard the repair ship USS Jason.

He is a former student of Treasure Valley Community College in Ontario.

PO3c Alan Cottle

USS ENTERPRISE - Navy Petty Officer Third Class Alan E. Cottle, son of Mr. and Mrs. Kenneth S. Cottle of 107 N. Fifth St., Nyssa, is in the Western Pacific aboard the nuclear-powered aircraft carrier USS Enterprise.

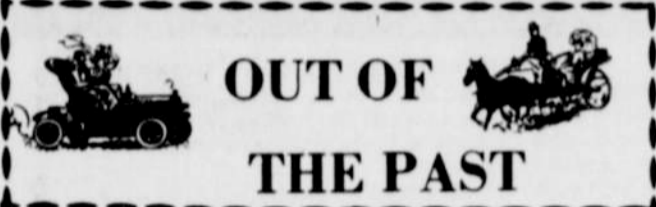

The Big "E" was on station in the Gulf of Tonkin when President Nixon announced the cessation of hostilities in Vietnam.

He is a 1965 graduate of Nyssa High School, and attended Utah State University, Logan, Utah.

SAN DIEGO - Marine Pvt. Manuel Maldonado, son of Mrs. Augustina Del Valle of 207 8th St., Parma, graduated from basic training at the Marine Corps Recruit Depot in San Diego.

He is a 1972 graduate of Parma High School.

OUT OF THE PAST

10 YEARS AGO

Rays Food Fair will open a modern new bakery Saturday when they will offer a grand array of baked items and store-wide specials. Employees of the all-new bakery department are Arlen Fehlman, supervisor and Mrs. Ray and Mrs. Fred Roberts, sales ladies.

Dale Laurance, a senior at the Nyssa High School, has been named one of the finalists in the Oregon Science Talent Search, according to word just received by the Oregon Museum of Science and Industry, sponsor of the competition.

David Looney, son of Mr. and Mrs. William Looney of Adrian and a senior and student body president of Adrian High, was recently awarded an Elks National Scholarship for the local area.

20 YEARS AGO

The dial conversion program for Nyssa and the rural communities it serves is well on its way to completion, it was announced this week by Gene Grasty, Nyssa manager of Malheur Home Telephone Company. A special crew has placed dials on all telephones in readiness for the new operation, and anyone not having a dial on his telephone is asked to call the local business office.

Dial equipment has been installed in the company's new building and is being tested in readiness for the change-over early in May.

Grasty also stated that a new telephone directory, especially for Nyssa, will go to press March 28 and urged anyone contemplating any change in their listings, to notify the business office.

30 YEARS AGO

Christian Jacob Groot, five-year-old son of Mr. and Mrs. Jacob Groot, Nyssa rural route, was fatally injured Tuesday morning about 11 o'clock on the Nyssa-Ontario section of Highway 20 near the family home when struck by an automobile operated by Harlan Thompson of route 2, Wilder.

Thompson, said by witnesses to be driving south rather slowly, swerved his model T Ford to avoid hitting the boy, but the lad was carried a few feet and was then thrown to the barrow-pit.

Christian had been at the Lester Jamison residence across the highway from his house and stopped at the mail car of Lloyd Lewis, Nyssa rural carrier. Mr. Lewis gave the boy the mail and warned him to watch for cars. Christian apparently saw one car coming toward him from one direction, but failed to see the Thompson machine approaching from the other side of Gem Avenue.

Besides his parents, Christian is survived by his grandmother Mrs. Corena Van Zelf of Nyssa.

40 YEARS AGO

Mr. and Mrs. James Langton are certain that spring is here as two weddings have taken place within their family of late.

Last Monday Miss Agnes Swan, daughter of Mr. and Mrs. Andy Swan became the bride of Kenneth Langton, only son of Mr. and Mrs. James Langton. The bride is a graduate of Nyssa High School and last

spring completed a course at Boise Business College. The couple were married in Vale Monday by Judge David Graham. They will reside in Nyssa where the groom is in the restaurant business with his father. Surprising friends, Miss Audrey "Babe" Langton left for Salt Lake City and was married Tuesday to Herbert Glover of Salt Lake City, former Nyssa jeweler. They are planning to locate in California.

The young people have the good wishes of Nyssa friends.

50 YEARS AGO

A special meeting of the Commercial Club was held Monday evening to consider the matter of establishing a cheese factory in Nyssa. In the absence of President Hamaker, who was sick, Vice President Edar presided. In the absence of Secretary Blodgett, who wasn't present, J.F. Baxter was chosen to act as secretary.

The report of the committee appointed at a previous meeting to ascertain the number of cows that could be signed up to furnish milk for a factory was listened to. P.M. Warren and Chas. Thompson, members of the committee, stated that in their opinion no difficulty would be experienced in getting from 250 to 300 cows. This is considered sufficient to support a factory.

The matter of financing the business was considered and it was thought doubtful if local capital could be secured. The secretary was instructed to get in touch with the Kraft Cheese Co. and any others possible with a view of interesting them in the project.

County 4-H

Members Plan Tour

All Malheur County 4-H members in the 7th grade and above are invited to take part in an educational tour to points of interest in the Boise area according to Helen Conner, Malheur Extension Home Economist. The tour of special interest to Home Economics, Health and Art members will be held on Monday, March 19. Since many 4-H members are not officially enrolled, they should contact the Extension Office at 889-9129 before Wednesday March 14 for information on the tour.

Included in the day's activities will be a tour of KTVB Television Studios, Eddies Bakery, St. Alphonsus Hospital, and the Boise Cascade Building. A presentation on creative textiles will also be included in the day's program.

Don't Forget!

The amount of revenue sharing a community receives may depend on accurate answers made on line 33 and 34 on the Federal income tax form which asks for your principal place of residence. This will help the government determine the population count for the revenue sharing distribution formula.

Gum disease is the greatest single cause of loss of teeth after age 35.

Never tell children that medicine is candy, even if it tastes good.

BSC Nursing Class Openings

The Boise State College Department of Nursing is now taking applications for openings in the class starting September, 1973. According to Carol Fountain, department chairman, enrollment in the 1973-74 class may be limited to 60 students

because of an expected decrease in federal funding. Boise State's two-year program in nursing leads to a registered nursing (RN) certification. Interested students are asked to contact the Admissions Office prior to making formal application to the Department of Nursing. Deadline for applications is April 1, 1973. Applicants must submit ACT test scores, transcripts from high school and all previous colleges attended and a medical report including a chest x-ray. Acceptance into the program will be given by June 10, according to Miss Fountain. Applicants are selected on the basis of date of application, previous academic performance, ACT scores and mental and physical health.

Reverend Bob's Column

It is called by many different names, such as, Holy Communion, The Lord's Table, The Lord's Supper, or The Holy Eucharist. It is the celebration or the commemoration of The Last Supper. Luke records the Last Supper in these simple words, "And He took bread and gave thanks, and brake it, and gave unto them, saying, 'This is my body which is given for you.'" Likewise also the cup after supper, saying, "This cup is the new testament in my blood, which is shed for you." St. Luke 22:19-20.

The Lord and His Disciples had gathered to celebrate The Jewish Passover Feast. It was the night before His crucifixion. They had finished the Passover Feast and now Christ replaces The Passover Feast with The Table of Our Lord. In a sense this becomes the end of The Old Testament or The Old Agreement between God and man and the beginning of The New Testament or The New Agreement between God and man. The Passover Feast with the lamb, the unleavened bread, the bitter herbs and bitter wine were now set aside. Rather than the flesh of the lamb God would now in the person of His Son provide A Life that the believer could partake of and as he partakes receive divine strength to sustain him on his journey through life to The Holy City. In the Passover Feast the blood of the lamb was spread upon the door post of the house. (Read Exodus 12:1-14 for the whole story). But now God was providing the blood of His own, dear, precious Son. For Christ would die and by so doing, forever bridge the gulf between God and man forever cleansing from sin all who would believe and trust in Him.

As the disciples received the bread and the cup on that night so would they receive it from time to time in the years to come. Through the years they would from time to time eat of the bread, drink of the cup and in so doing they would say to each other and the world around them, "Christ died, His body was broken to give us physical and spiritual strength, His blood was shed to cleanse our sins and to make us right and holy in the eyes of God."

Today, all through the Christian Faith, Christians still partake of the Cup and the Bread. Some churches celebrate Communion every Sunday, some once a month and other every three months. The frequency of receiving is not important but the reason is of most importance. Paul said, "For as often as ye eat this bread and drink this cup ye do show the Lord's death till He come." 1 Corinthians 11:26. Partaking of Communion is the Christian's way of telling others "I believe, I have faith, I have confidence in Jesus Christ as the Son of God, as my Saviour, my Redeemer, My Lord, my Master and my Coming King. Through my faith in Jesus Christ, my faith in His death I am forgiven of all my sins and have become a Child of God."

BLM Asks

For Fence Bids

Bids are being asked for the maintenance of seven miles of fence and construction of approximately one mile of new fence in the Castle Rock vicinity of the Northern Resource Area, George R. Gurr, manager of the Vale BLM district, announced this week.

The job consists of five miles of repair on the Goodwin-Bully Creek fence, and slightly over two miles of repair on the Jerry Creek fence, plus additional construction of slightly more than one mile on the latter fence, Gurr said.

No site tour is planned and prospective bidders wishing additional information can contact the Vale District office.

Bids will be opened at 2:00 p.m., March 12 in BLM's Portland Service Center.
