April 2 Deadline Property Tax Exemptions For Vets

Disabled war veterans and veterans' widows must apply for their annual Oregon property tax exemptions by Monday, April 2, the Department of Veterans' Affairs cautioned today. Application is made with the county assessor.

H.C. Saalfeld, Veterans' Affairs director, said the exemption amounts to \$7,500 of the true cash value of the property. Entitled are war veterans 40 percent or more disabled, and unmarried widows of war veterans. Spanish-American War veterans don't have to prove disability.

Disabled veterans or widows entitled to a tax reduction under the 1971 home-owners property tax relief act will have such relief reduced by the amount of veterans' exemption they are entitled to, Saalfeld said.

To get the maximum of tax relief, he said they must claim the veterans' exemption in addition to the home-owners property tax reduction. Application for the tax relief must be filed by Monday, April 16, with the county tax collector.

Mrs. Leon Chamberlain attended the pancake supper put on by the Parma School Friday evening.

It was a most enjoyable moment for Mike Bengé of Heppner, newly-released prisoner of war, as he talked with Georgie Packwood, wife of Senator Bob Packwood. But when the photographer asked Mr. Bengé to move closer to Georgie for the picture, he looked shyly at her and said "I haven't had my picture taken with a good looking girl in more than five years." The 37-year-old former POW was released March 8 after being held captive by the Vietcong since 1968. He was in Vietnam as a development adviser of the Agency for International Development (AID) when captured. Mr. Bengé was in Washington for a series of debriefings. The Packwoods went to see Mr. Bengé at Bethesda Naval Hospital after he called the office and said he would like to visit with them.
