Things are now starting to Mrs. Dyre Roberts attended Valley to Weiser Saturday derson of Payette, Mr. and Mrs. 65 day cram course in many, many things. I feel that I'm a little smarter in the affairs of the state than I ever thought I could be.

We have several serious problems to deal with. Probably the most serious is our dependency upon the federal government. I found federal funds wound into every phase of our existance. One of the primary aims of every state in the Union should be to reduce these funds until each state is fully self sufficient. But this can't be done over night or in ten years. In fact it may never be done until we have a rock bottom depression or a sky high inflation. In other nations it has taken a wheelbarrow full of money to buy an egg and they recovered to emerge stronger than ever.

At one time in Germany it took 50 billion marks to purchase a postage stamp. Now they sort of hold the destiny of our dollar in their hands. If we go belly up we must remember there will be no kindly Uncle Sam to bail us out. We'll have to do it on our own. But it's one way of settling debts. We have plenty of boondoggling on the welfare programs. We have too many Next Year 3-74 professional welfare bums but 589,375 we also have a greater majority we also have a greater majority of people who are old or down on their luck who do need assistance and I couldn't see killing the entire body just to get rid of parents on her spring vacation. a cancerous portion. This must be done piece by piece.

I believe the second greatest danger, other than funds, is the of Sitka, Alaska were guests of federal take over of everything Mrs. Lena Leigh Wednesdayanother. They own our forest lands and deserts and through the insistance of a few we are never to use any of our natural resources for anything but re-
