

## OUT OF THE PAST

### 10 YEARS AGO

The Miss Malheur beauty pageant will be held Saturday April 27, at the Ontario High School auditorium, according to Ontario Jaycees, sponsoring organization.

Eight entries have been received from young ladies in Vale, Ontario, and Nyssa. Nyssa contestants are Dee Ann Adams, daughter of Mr. and Mrs. Alfred Adams and Judi Bingham, daughter of Mr. and Mrs. Earl Bingham.

Miss Rosa Alvarez, exchange student from Chile, will be speaker at a Chilean Festival to be held at 7:30 this evening in the school cafeteria. Miss Alvarez will speak to Nyssans about her native country.

### 20 YEARS AGO

Malheur County's high hills and deep canyons brought expressions of apprehension from Hollanders, accustomed to below sea level plains, when they arrived here last Wednesday from their first visit to America from Holland.

Mr. and Mrs. Preetom expect to spend the ensuing six months at the home of their daughter, Mrs. Klaas Laan of the Newell Heights community. They immediately commented that they had no idea the hills were so high, but Mrs. Laan stated that before their visit is completed they will be taken to Owyhee Dam, Succor Creek Canyon and other areas that make the near by "mountainous areas" look like a flat plain.

Gene Gnasty, Nyssa manager of Malheur Home Telephone Company, today announced that Friday, May 1 at midnight has been set as the time for the company's change to dial operation.

### 30 YEARS AGO

The Van Petten interests are razing one of Nyssa's rather old landmarks, the former McConnell residence located between the Eder Hardware Company store and the Idaho Power Company office.

The house was built by Mrs. McConnell in 1908 on the site of the first residence west of the railroad tracks.

The Eder Hardware Company will use the space for a parking lot. Driveways will be constructed in the front and rear of the company.

A service flag honoring former Nyssa High School students who are now serving in the armed forces was presented to the high school student body by the Girl's League at an assembly held in the school building last Friday afternoon.

### 40 YEARS AGO

Beer will be sold in the Kozy Cafe and in the Rosebud and Olympic Club pool rooms when it becomes legal at the stroke of midnight (tonight) if the first supply, which is hard to get, will fill the demand. Just what the price will be is yet a question as the local retailers know little about the cost.

In Portland, where the license is \$20 a year for a retailer, the first price announced is 10 cents for a glass for local beer; 15 cents for a 12-ounce bottle and 25 cents for a 12-ounce bottle of eastern beer.

Before Nyssa sheepmen and their many herders make their annual trek into the hills, they trek into the doctor's office for the U.S. vaccine which makes them immune to spotted fever. The middle of March to about the first of June lurks the most danger for all of those who travel along the brush covered trails where sheep have passed. Only the infected tick carries the spotted fever germ but they seem to be far too numerous.

### 50 YEARS AGO

Garrett Stam suffered a severe loss Wednesday when his hog pen caught fire and was entirely consumed, together with a herd of ten very fine thoroughbred white hogs. The fire originated from sparks flying from weeds which were being burned on the Owyhee ditch bank.

Postmistress Thompson has received instructions from postal authorities to close the postoffice at 6:30 p.m. beginning Monday, March 26.

### CRADLE ROLL

Mr. and Mrs. Chuck (Carol) Corak of Halfway are parents of a baby boy born March 21, 1973 in the Grande Ronde Hospital in La Grande. He tipped the scales at 7 pounds and 10 ounces. The parents have chosen the name Brandt Jay for their new son. Brandt joins a sister Tori, two years old. Maternal grandparents are Mr. and Mrs. Kenneth Reece of Nyssa and paternal grandparents are Mr. and Mrs. Marion Corak of Caldwell.

### HOLY ROSARY HOSPITAL

March 28 - Mr. and Mrs. Walter Scott, Vale, boy.  
March 30 - Mr. and Mrs. A. Lynn Barton, Nyssa, boy.  
Mr. and Mrs. Walter Funk, Ontario, girl.  
April 3 - Mr. and Mrs. Cyo Chavez, Ontario, girl.  
April 4 - Mr. and Mrs. Russell Pye, Ontario, boy.

## NHS STUDENTS EARN BUSINESS AWARDS

Nyssa High School business students and typing students earned three awards in the Business Skills Contest at Eastern Oregon College in La-Grande March 31. Approximately 12 schools participated in the third annual event.

Felipa Soliz placed second and Launa Schulthies third in bookkeeping. Competing against some 50 students Merle Saunders placed second in the Typing I division.

Other participants included Karla Beck, Delores Elgezabal and Lori Saito, typing; Shelley Munn, spelling; Jennifer Ure and Patsy Wilson, ten-key adding machines; and Dan Cruson and Pat Ross, bookkeeping. Office Occupation instructor Dale Schraufnagel accompanied the group of students.

## New Appraiser Leaves County

Malheur County Assessor, Oscar Bratton announced today the resignation of Butch Gehley, appraiser for the Assessors' office. Mr. Gehley was hired in February to fill a vacancy in the appraisal department. Gehley resigned to accept a large increase in salary as an appraiser for Union County Assessor, Dick Hartsock.

Bratton said, "I would like to have kept Mr. Gehley as he had the education and background for an outstanding appraiser. In the short time that he was on our staff his work was of high quality."

Bratton said, "I think it is a sad situation that we cannot pay our county employees a high enough salary to retain them and that our sons and daughters continue to seek employment outside the county for a better standard of living. Apparently Malheur County will continue its roll as a training ground for other city, county and state offices."

## History Lecture On Skinner Toll Road

The building and operation of the Skinner Toll Road, a major transportation line important in the development of the southeastern part of Oregon and the mining area around Silver City, Idaho will be discussed on Thursday, April 12, when S. K. "Kirt" Skinner will present the seventh lecture of the current series dealing with history of the Malheur Country. The program, beginning at 8 p.m., is part of an eight lecture program conducted by the Malheur Country Historical Society and Treasure Valley Community College. The lecture will take place in the Weese Memorial Building.

CAMPFIRE SESSIONS are a favorite activity at Camp Easter Seal on the Oregon coast, where nearly 200 physically handicapped children and young adults from throughout the state enjoyed a camping experience each summer. The camp is specially designed for persons in wheelchairs, on crutches or hampered by leg braces.

## FIRE CALLS!

Adrian Volunteer firemen answered several calls recently reports Don Hatch, fire chief. Monday, March 19, they were called to the John Farenbrunch farm, a small shed burned causing \$800 damage. They answered a call to the Eddy Nelson ranch south of Adrian the same day. A grass fire is reported with some damage to the corrals.

Saturday, March 17, they were called to the Chuck Morris residence in Adrian where they extinguished a grass fire, no damage reported.

Wednesday, March 21, they were called to an auto wreck to stand by for possible fire, there was no fire damage.

Monday, March 26, the firemen answered a call to the Don Fox farm. A tractor caught fire, there was very little fire damage.
