

**BOB OKANO, 1967 NYSSA HIGH SCHOOL GRADUATE,** is pursuing a construction career following completion of the Construction Technology program at Oregon State University. The Construction Engineering program was initiated in 1966 with the aid of a \$50,000 grant from the Oregon-Columbia Chapter of the Associated General Contractors. Many members of the four classes that have been graduated thus far are now employed by Northwest construction firms.

Okano is employed by H.A. Andersen Company, Portland, and is currently project engineer for a Fred Meyer shopping center at Hazel Dell, Washington, north of Vancouver.
