MRS. DEE GARNER ELECTED TO STATE OFFICE IN P.T.A.

At the State Convention of the Oregon State Parent Teacher Association held Monday, April 16, a nomination from the floor put Mrs. Dee Garner in the running for Region #8 District Vice President. This procedure is different from the usual in that there is a Nominating Committee which usually picks the candidates for the offices to be voted on.

They have always named only one candidate for each office so actually there is no competition in the election. Nominations are asked for from the floor after the Nominating Committee's selection has been named and qualifications given.

In this case, the Nominating Committee had selected Mrs. James Conro, Haines who was unable to be at the convention. On a spur of the moment, Mrs. Carl Barnes and Mrs. Mel Beck decided to nominate Mrs. Garner as they felt she was well qualified for the job and would give this area more representation at the state level. District #8 is composed of Malheur, Harney, Baker and Grant Counties.

Tuesday, the voting polls were open from 8 a.m. to 1 p.m. Tellers Committees counted the votes and officers elected were not officially announced until Tuesday evening at the banquet. The new officers were then installed by a visitor, Mrs. Hilton from the National P.T.A.

Mrs. Garner was elected and will now serve as District #8 Vice President. She is well qualified for the job, being active in P.T.A. for many years. She recently retired from her term of office as Malheur County P.T.A. President.
