Gary Condon, their vocal instructor, stated, "These students have worked very hard on their music. It's only through their dedication and self-discipline that they achieved this high accomplishment. Nyssa was the smallest school represented in the vocal solo contest. Competition from the Portland, Salem and Eugene schools was keen. In light of this fact, the second place award that each student received becomes an even higher honor to the kids and the Nyssa Community."

Mardi and Nancy expressed their appreciation for the excellent accompaniment provided them by Mr. Gary Lacey, Music Director for Ontario High School.

Jerry Wilson, bass, presented "Silent Noon" by Ralph

Mardi Cole, Nancy Looney and Jerry Wilson were each awarded second place in the state high school solo competition in their respective divisions; alto, soprano and bass.

The three Nyssa High School seniors attended the solo contest last weekend at the University of Oregon at Eugene.

In order to attend state competition the contestant must receive a superior rating and be judged best in his division at district competition. Schools included in local competition are Ontario, Nyssa, Vale, Adrian, Jordan Valley and Huntington. There are ten districts in Oregon and each district is

allowed one representative in each division.

Mardi Cole, alto, performed "He Was Despised" an aria from Handel's "Messiah."

Nancy Looney, soprano, presented another aria from the "Messiah" which was "Rejoice Greatly, Oh Daughter of Zion."

This culminates Nancy and Mardi's high school music career which has been marked by many honors and achievements. Both have participated in All-State Choir, All-Northwest Choir, held major roles in musicals and have attended summer workshops.

The title tells only half the story in Cherry-Orange Mold, because this tasty salad also contains two other fruits-applesauce and pineapple. It might be called a medley. The flavors compliment each other and end up being a real taste-treat. Instead of pouring this salad into a ring mold, you might pour it into a flat 9x9x2" pan and then spread evenly with the Sour Cream dressing before serving. Serves 8

juice, 7-Up and marashino cherries. Pour into a ring mold and chill until set. Unmold and serve with favorite Fruit Salad Dressing. Serves 8.

A cup or two of sour cream can make or break a salad dressing and in this case, it makes it! Combined with pineapple and lemon juice, it makes a perfect companion for fruit salads and Cherry Orange Mold is no exception.
