TEN RANGE AND FOREST FIRE PUMPER trucks have been made ready for action by the Vale District, Fire Control Headquarters, Bureau of Land Management personnel.

District Manager George R. Gurr says that the pumps range in size from 2 1/2 to 3/4 ton vehicles. All trucks have the capability of refilling from any water source that may

be located in the vicinity close to a fire. Work on the pumps was performed by Vale Fire Protection personnel with help on the vehicle motors from the BLM shop personnel. Gurr said that this is the best group of pumps the Vale District has ever had at any one time.
