A Nice Cream Idea

Fresh dairy cream is the ingredient which gives ice cream its smooth goodness!

Creamy Rich Vanilla Ice Cream

Yield: approx. 2 quarts

- 1 tablespoon (1 envelope) unflavored gelatin
- 1 cup sugar
- 2 cups real whipping cream
- 2 eggs, beaten
- 1/4 teaspoon salt
- 2 cups real whipping cream
- 2 cups light cream or half and half
- 2 tablespoons vanilla

In a 1-quart saucepan combine gelatin and sugar; stir in 2 cups whipping cream. Heat over low heat, stirring constantly, until gelatin is dissolved. Stirring constantly, gradually add hot mixture to eggs. Stir in salt, remaining whipping cream, light cream and vanilla. Chill thoroughly. Proceed with freezing according to freezer manufacturer's directions. Note: For variations see Vanilla Custard Ice Cream.

Vanilla Custard Ice Cream

Yield: approx. 1 1/2 quarts

- 3/4 cup sugar
- 2 tablespoons regular all purpose flour
- 1/4 teaspoon salt
- 2 cups light cream or half and half
- 2 eggs, slightly beaten
- 2 cups light cream or half and half
- 1 1/2 tablespoons vanilla

In a 1-quart saucepan combine sugar, flour and salt; gradually add 2 cups light cream. Cook over medium heat, stirring constantly, until thickened. Cook 2 additional minutes. Add small amount of hot mixture to eggs; return all to pan. Cook, stirring constantly, 1 additional minute. Remove from heat. Add remaining 2 cups light cream and vanilla. Chill thoroughly. Proceed with freezing according to freezer manufacturer's directions.

Variations

Strawberry Ice Cream: Reduce vanilla to 1 tablespoon. Combine 2 cups fresh mashed strawberries with 1/4 cup sugar. When ice cream is half frozen, stir in sweetened fruit and continue freezing.

Chocolate Ice Cream: Increase sugar to 1 cup in custard recipe. Add 2 squares (2 oz.) unsweetened chocolate, cut up, to cream before cooking.

Banana Ice Cream: Reduce vanilla to 1 teaspoon. Add 1 cup mashed banana, 2 tablespoons lemon juice and 3-4 drops yellow food coloring to chilled mixture just before freezing.

Peach Ice Cream: Combine 2 cups mashed peaches and 1/4 cup sugar. When ice cream is half frozen, stir in sweetened fruit and continue freezing.

Notes on Freezing

Conventional Home Freezer

1. Fill ice cream freezer can not more than 3/4 full with ice cream mix.
2. Pack with 1 cup rock salt to each 8 cups crushed ice in alternate layers until level with top of can.
3. When ice cream has formed, mechanical freezer will stop or hand model will be difficult to turn (approx. 20-30 min.). Remove top and carefully draw out freezer whip. Press ice cream into can. Cover. Repack with salt and ice in 1 to 4 mixture.
