1973 Nyssa Rally Squad

NOT AFRAID TO STICK THEIR HEAD IN!

Nyssa Football Team Starts To Shape Up

Ask one of the Nyssa High School football coaches about this year's football team and he just might stoop down and pluck a blade of grass to use in illustrating his answer.

"Small and Green," were the two words used by the various squad coaches earlier this week as they discussed how the Nyssa Bulldogs were looking after their second week of practice in pads.

"We'll be a fairly light eleven," said Art Bullock, head coach. "This means we won't be three-yards and a cloud of dust as much; we hope to have a more wide-open ballgame."

Two weeks away, on September 7, the Nyssa squad will open their football season playing Ontario at Ontario. The game will start at 8:00 p.m. and will be played on the Ontario high school field.

Bullock said the only things he'd heard about the Ontario team was that they're "awfully big" and have a large number of returning lettermen.

After two weeks of practice in pads, Bullock was starting to see things come together, "I think we're just about there with conditioning and, hopefully, in the next two weeks we'll have our timing down."

Bullock is an advocate of specialized coaching because "it gives the boys an opportunity to go to a specific coach with a problem; it makes it a little easier to be heard."

JERRY HUNTLEY, line coach, says his line is "terribly small" this year.

"They're not afraid to stick their head in and get a bloody nose," said Huntley. "They just lack that experience that comes with being a junior or senior."

"The only thing you're going to see different out of the offensive line this year is that were going to be coming out of a four-point stance," said Huntley. "I personally think it's faster and it keeps 'green' people, people without a lot of experience, it keeps 'em low; it has a tendency to stick their head in."

At this stage of the season Huntley said he only had one position that he was set on, Ted Joyce at right guard.

LINE

GERALD TALBOT, offensive coach, has had a number of problems putting his offense together.

"Our biggest problem so far is just getting everyone here," said Talbot. "We haven't had everyone here two or three nights in a row."

BULLDOG COACHING STAFF; (left to right) Jerry Huntley, line coach; Gerald Talbot, offensive coach; Max Brittingham, defensive coach, and Art Bullock, head coach.

Also, said Talbot, "The only real experienced back we have at any of the positions is Dean Sappe, at fullback, all the rest are young players or boys who haven't played much."

One of the bright spots in the offense, according to Talbot, is at the end positions.

"We've got two of the best ones in the league," said Talbot. "Jeff Marquez at tight end and Billy Marcum at split end."

OFFENSE

"Marcum, for a young boy has got as good of moves as any split end or any end we've ever had. You get the ball close to him and he'll catch it."

"Marquez," said Talbot "is the kind of guy that overpowers people and catches the ball."

During the next two weeks, Talbot said the emphasis will be on timing the backfield.

"Our handoffs are allright on the straight dive stuff," said Talbot, "but when we try anything fancy we have problems."

DEFENSE

MAX BRITTINGHAM, defensive coach, has just started to put the defense together.

"We won't be too big," said Brittingham, "but I do think we'll be a bit quicker than last year."

"We've got to be quicker and smarter and do some things that are unexpected this year," said Brittingham. "One thing, when you're small you have to do the unexpected things."

"Until a quarterback shows us he can beat a zone, and not many high school quarterbacks can," said Brittingham "we'll go with the zone and in some situations a man-to-man."

Two bright spots on defense this year, says Brittingham, are the big defensive ends, Jeff Marquez and Frank Moore.

COACH BULLOCK said the team is "as good as I expected at this stage."

"So far," said Bullock "we haven't had any injuries at all; but, we haven't done any real hard hitting. . . yet!"

Thank You Mr. Buyer

For Making the Junior Livestock Sale a Success

Malheur County 4-H Clubs and FFA Chapters take this opportunity to express their appreciation to the merchants and individuals who made their Junior Fat Stock Sale such a huge success. Our special thanks to the Malheur County Livestock Association which sponsored the sale. The sale was underwritten by the Ontario Livestock Commission Company which set the base price for the sheep, managed the sale, handled the billing, collection and accounting. Armour & Company of Nampa set the support price on beef. The NFO set the support price on the hogs. Donations were made to the Shriner Hospital by Merril Abrahams, KSRV Radio, RB & H of Oregon, Inc., Rocking O Cattle Co., and Russell Land and Livestock.

THE GRAND CHAMPION lamb at the Junior Fat Stock Sale was sold by Kathryn Anthony of Vale to the Nyssa Mountain View Equipment Co. Mark Eastwood is shown with Miss Anthony and the lamb.

THIS HEREFORD steer, fitted and shown by Kirk Mader, was the grand champion beef of the 4-H and then over-all champion. With Mader is Cecil Woods of the OK Sales Yard, Caldwell, buyers of the animal.

BARBARA ANTHONY of Vale raised and showed the grand champion swine for the fat stock sale. Al Kropp of Al Kropp and Son Equipment was the buyer.
