

Adrian High School Hockey Round-up

Adrian started Hockey League Play at Middleton and beat them 1-0. Thus, the season was off to a good start. The next game was at Borah, which ended in Adrian's favor with a 2-0 score. The next big battle was Caldwell at Adrian with Adrian winning after a long hard battle. The next win was the easiest yet-- Bishop Kelly forfeited their game.

Nampa played at Adrian October 16 and what a game that proved to be. They were the first team to hand AHS a tie game in four years but they did last year. At the end of the first half the score was 0-0, the first time any of the current players can remember going into half time with that kind of a score. The defense on both teams worked harder during this game than any other. Senior Sandy Lane put in Adrian's only goal of the game on a real good hit.

October 18 Adrian journeyed to Meridian with fifteen girls out of their usual fifty. This was the first time in the eight years of Coach Shultz's career at Adrian that an opposing team had fielded more hockey players than Adrian, the smallest school in the league. There were interesting "sisters" set

up in this game. Adrian has eight sets of sisters on five teams and three sets were playing at Meridian, sometimes all at once. Adrian won 5-1.

October 23 saw Capital of Boise at Adrian. This game ended in a 1-1 tie and all five teams of AHS played in this game. Even with the tie game Adrian was once again undisputed League Leader and Champion by 1 1/2 games over Caldwell.

Adrian was presented their beautiful League Championship Trophy at the District 3 Tournament in Middleton, October 27.

All five teams had many outstanding players, players that played with skill and strength and the drive, determination and the courage to win. It was a successful season that was "Successful" because of these five teams of Champions.

Oregon Colleges Receive Money

Seven Oregon colleges and universities have received \$31,060.00 in 1973 under Aetna Life & Casualty's aid to higher education program.

Aetna's share was \$3,930.00 supplementing agent and employee gifts of \$27,130.00 to the Oregon institutions.

The University of Oregon received \$25,200.00, the state's largest combined company and employee contribution.

Other recipients were: Corcordia College, Judson Baptist College, Northwest Christian College, Oregon State University, University of Portland and Western Conservative Baptist Seminary.

The Oregon grants are part of \$444,119 contributed to 518 schools in 45 states under Aetna's program this year. Since the inception of the program 13 years ago, more than \$2 million has been contributed to higher education.

This year as in the past tickets will be distributed for Scout Expo '73 by Cubs, Scouts and Explorers throughout the council. The tickets will be distributed to the public for a \$1.00 donation each. Children under 8 and Cubs, Scouts and Explorers and leaders in uniform will be admitted free.

Many of the booths have been designated as to theme or content so as to follow the theme of the show. This should not make it difficult but should provide you with ideas for backdrop. Each booth must have action and have kids involved. Many of the booths which have been designated as to the content deal with the various progress or advancement awards. Each of these should show in general all the requirements for that award and the action of the booth could then deal with specific requirements. Keep in mind the theme of the show - "Scouting Today is A Lot More Than You Think," and try to expose any new areas or ideas. Remember that our audience will not only be Scouts and Scout Masters, but the general public as well. Sell them on Scouting's relevancy.

During the 1973 season, there was a total of 63,940 reservations made at the 18 parks participating in the program. This past season seven additional parks were added to the reservation program. Many of these parks added to the program have had light usage in the past.

Figures for 1973 show a 20.5 per cent increase over last year but when the same eleven parks that have participated in the program in previous years are compared, there is a 2.5 per cent increase.

Of the reservations made, 74.2 per cent were by Oregonians and 25.8 per cent by non-residents. This compares to the 68-32 per cent ratio for 1972.

Cancellations and no-shows continued to be a problem as only 74.8 per cent of the reservations were claimed. This is almost a 4 per cent increase from the previous year.

Ore-Ida Council's Scout Expo '73'

For you Scouters who recognize our date of November 17 as the date of the Fairland Parade in Boise, you are right. Scout Expo '73 will run from 1:00 p.m. till 8:00 p.m., Saturday the 17th. However we invite all Scouters to view the Fairland Parade, then come to the Fairgrounds for Scout Expo '73. We are cooperating with the Chamber of Commerce and hope we can capitalize on the larger than normal crowds in Boise on that day.

Scout Expo '73 will have between 60 and 70 booths in the center of the main fairgrounds building, to be manned by individual units - packs, troops and posts and by council committees. If your unit would like to set up a booth we would like to know as soon as possible.

Among the reservations not claimed were 10,315 cancellations, or 16 per cent of the reservations made. This is a 4 per cent increase over the 1972 figure.

No-shows are a major problem area because this normally deprives someone of the use of the site. This year there were 5,817 no-shows, or 9 per cent of the reservations made, the same percentage as the previous year.

The reservation program began in Oregon in 1970 and has proved quite successful. There is a \$1.00 reservation service charge. Plans call for the program to be continued next season in substantially the same form as this past year.

Nyssa Ends SRV Competition With Loss To Weiser, 27 18

The Nyssa Bulldogs ended their season and their participation in the Snake River Valley League Friday night at Weiser, losing by a 27-18 score. Starting with a new coach, Art Bullock, and a young and inexperienced squad, the Bulldogs had an exceptionally fine season with four wins and five losses.

Chris Lords started the scoring for Nyssa, breaking through for a 72 yard run on the second play of the game. Dean Sappe scored on a 4-yard plunge in the second quarter, followed by another long run of 36 yards by Lords later in the quarter.

Weiser meanwhile scored one touchdown in each of the four quarters, and succeeded in bottling up the Bulldogs completely in the second half. In one series of downs late in the game Valencia, the Nyssa quarterback, was sacked three times for over 50 yards, ending Nyssa's scoring threat. Earlier in the game, Valencia, a transfer student from New Mexico playing his first full game in the quarterback position, threw four long completions to Marcum and Lords.
