Salvation Army Mails Christmas Letters

Don Young of the local Salvation Army Service Extension committee, announced today that the Annual Christmas Appeal Letter is being mailed this week.

"Motivating this appeal," he said, "is the fact that Christmas means caring for and sharing with others. The Salvation Army has been at work for more than 100 years trying to spread the 'Spirit of Christmas' through the year."

The local Salvation Army committee helps the needy with food, shelter, and clothing. During Christmas a special effort will

be made to see that no child, or family in need, goes without.

Food, clothing and toys are the principal items provided at Christmastime to brighten the holidays for the less fortunate. The Salvation Army requests that contributions be in the form of cash or checks since there are no facilities for collecting and handling goods. Also, money can be used to purchase the items best suited to the needs of the individual families.

Money remaining after Christmas is used for the continuing welfare program of the

local Service Extension committee which provides some 23 different services, such as care for unwed mothers at The Salvation Army facilities, emergency assistance for transients, fire relief, food orders and medical assistance.

The local committee matches needs with gifts, giving of its time and talents in service to less fortunate. Contributions for the Christmas work of The Salvation Army in the local area should be sent to: Mr. Don Young, Salvation Army Treasurer, 500 Main, Nyssa, Oregon, 97913.
