

FESTIVE EGGNOG DESSERT

1 1/4 cups milk
1 envelope plain gelatin
1/2 cup sugar
1/8 teaspoon salt
3 eggs separated
2 tablespoons rum
1/2 teaspoon nutmeg
1/2 cup whipping cream
1/2 to 3/4 cup apricot preserves
Whipped cream for garnish
Chocolate Crumb Shell

Combine milk, gelatin, 1/4 cup sugar, salt and egg yolks. Heat, stirring over medium heat until mixture just begins to boil. Remove at once from heat. Stir in rum and nutmeg. Chill until custard begins to thicken. Meanwhile whip egg whites with remaining 1/4 cup sugar until stiff peaks form. Whip cream and fold into custard. Fold in egg whites. Turn into Chocolate Crumb Shell. Chill. Whirl preserves in electric blender until pureed and spoon into center of pie, spreading evenly. Just before serving remove outer ring from pan. Pipe or spoon a border of whipped cream around top edge to garnish. Makes 8 servings.

CHOCOLATE CRUMB SHELL: Combine 1 1/3 cups crushed chocolate wafers (about 28 2 1/4-inch) with 1/3 cup melted butter in 8-inch springform pan*. Press against bottom and 1 1/2-inches up sides of pan. Bake in 375 degree oven 8 minutes. Cool before filling.

* or 9-inch pie plate.

Holly, Traditional To Christmas

Holly has long been considered the most sacred of Christmas greens; and the red berries are said to represent the blood of Jesus. "Of all the trees that are in the wood, only the holly bears the crown!"

It is said that one who sits under a pine tree on Christmas Eve will hear angels singing.

If the sun shines through fruit trees on Christmas Day, it is a sign that the trees will bear much fruit.

A white Christmas presages a prosperous year.

OUT OF THE PAST

10 YEARS AGO

A giant rally is being planned as a send-off for Nyssa High School's band immediately preceding its leaving for Pasadena and the Rose Bowl parade on New Year's day.

It will be held on the M&W parking lot at 4:30 p.m. Sunday, December 29. The event will be open to the general public and all band boosters and music lovers are urged to be there to show their appreciation for the achievements of this group of students.

The 88 students, their instructor, Frank Turner, and 10 chaperones are due to leave the Nyssa bus station on three chartered buses at 6 p.m. following the rally.

In speaking for band students, Turner has stated that they will do their best to perform in such a manner as to merit the support given by area residents.

20 YEARS AGO

James E. Niccum, 17, son of C.C. Niccum of Nyssa, is completing his Air Force airmen indoctrination course at Lackland Air Force Base, San Antonio, Texas, according to the base public information office.

Mr. and Mrs. Clarence Kesler received a phone call from their son, Clarence Ray, Jr., Monday from Osaka, Japan. Kesler on rest leave from Korea, called to wish his parents and his sisters and brother a Merry Christmas.

30 YEARS AGO

The Nyssa Chamber of Commerce passed two resolutions pertaining to road matters at its weekly luncheon Wednesday noon.

The Chamber voted to ask school officials to write to the State Highway department "commission requesting

construction of two pedestrian underpasses at the "Y" east of Nyssa Grade School.

Crossing the highway to the school building is considered extremely hazardous because of the great amount of traffic along the highway and the distance the children are required to walk reaching a sidewalk.

In the other resolution, the chamber asked that the State Highway Department improve the road from Adrian south to a junction with the I-O-N cut-off. The Highway Department is expected to resurface the Nyssa-Adrian section in the spring so that last week the Nyssa Chamber voted to ask the state to eliminate some of the dangerous curves before undertaking the resurfacing project.

40 YEARS AGO

With three "cats" and eight men on the job, Pierce and O'Neils of Portland are proceeding at a rapid pace on their contract with the State Highway Department which calls for grading 1.18 miles of the Nyssa-Adrian highway and construction of a new pile bridge across the Owyhee River, said George Kaylor when he came to town yesterday to do his Christmas shopping.

The new bridge will replace the one which has served its day and will also

eliminate a dangerous curve in the highway.

50 YEARS AGO

Tax reduction must have right of way over all other legislation, President Coolidge declares in his first message to congress.

He is opposed to a soldier bonus, the president said flatly and without qualification.

60 YEARS AGO

The Chinese pheasants which were introduced into this vicinity a few years ago by the Parma Gun club have spread until now the whole lower Boise Valley is covered by them. There is a persistent rumor, however, that these birds are being shot by some of the residents of this section. There is a strict law against this and violators are liable to severe punishment.

In addition to its value as a game bird the pheasant is noted as a great friend of the farmer. About one-half pint of harmful insects and larvae was found in the stomach of a China pheasant recently killed for demonstration purposes in the Oregon Agricultural College laboratories. At this rate the bird would have devoured one bushel of insects in 124 days or almost three bushels per year.
